WB3888 – CDC Follow-up Course Evaluation

It has been 3 weeks since you completed (course name will appear here). Please take a few minutes to answer this 6 question follow-up survey. Your feedback will help CDC understand the impact of educational activities.

Questions:

1. Did you use what you learned from this course in your work?
 Yes
 No
 Not applicable, I did not learn anything new from this course

2. What did you use from this course? (if it applies)

The public reporting burden of this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to - CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (0920-0017).
