Road construction, jack hammer, masonry saw	<input type="text"/>	<input type="text"/>	years	Other dusty job (please specify)	<input type="text"/>	<input type="text"/>	years

I wish to participate in the Coal Workers' Health Surveillance Program conducted under Section 203 of the Federal Mine Safety and Health Act of 1977 (30 U.S.843). I understand that reports of my examination will be mailed to me. I also understand that my results may be used to assess health and risks related to coal mining. My individual health information will be treated in a secure manner and information that can be connected to me as an individual will not be disclosed, unless otherwise compelled by law.

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden to CDC, Project Clearance Officer, 1600 Clinton Road, MS E-11, Atlanta, GA 30333, ATTN: PRA (0920-0020). Do not send the completed form to this address. CDC/NIOSH 2.9 (E), Revised 02/2019
