Have you seen this advertisement, or something similar, prior to today?

The screenshot shows a promotional email from WebMD Professional. The header includes the WebMD logo and the text "a communication from WebMD Professional". Below this, it states "Developed under the direction and sponsorship of HHS." and features the "COMBAT COVID" logo. The main heading is "ACTIV clinical trials give your COVID-19 patients new options". The body text describes the partnership between the National Institutes of Health and the pharmaceutical industry, highlighting the Accelerating COVID-19 Therapeutic Interventions and Vaccines (ACTIV) program. It mentions a safe, efficient trial design and lists four key goals: preventing clotting events, preventing extrapulmonary complications, reducing the duration of symptoms, and reducing life-threatening complications. On the right side, there is a call-to-action graphic with the text "Click here to learn which clinical trials may benefit your patients." and an illustration of three people wearing masks. Below the graphic, it states that there are ACTIV trials for both outpatients and hospitalized patients, and provides a link to visit [CombatCOVID.hhs.gov](https://www.combatcovid.hhs.gov) for more information. The footer contains links for "Help", "Password Assistance", and "Privacy Policy", along with unsubscribe options and contact information for WebMD Professional Services.
