1	Question 15 Survey Team Composition	Change title of subsections H, I & J	<p>Change the title of the following subsections:</p> <p><b>Subsection H:</b> from <i>“Laboratorian”</i> to <i>“Medical Laboratory Technologist”</i></p> <p><b>Subsection I:</b> from <i>“Sanitarian”</i> to <i>“Public Health Specialist”</i></p> <p><b>Subsection K:</b> from <i>“Therapist”</i> to <i>“Physical Therapist”</i></p>	<p>The terms used in subsections H and I of the current version of the CMS-3070G are outdated and not used today. We have updated them in the revised version of the CMS-3070G form to the contemporary terms used today.</p> <p>The term used in subsection K of the current CMS-3070G form is vague because it does not specify the type of therapist. We have revised this term in the revised version of the CMS-3070G form to <i>“physical therapist”</i> because it is more specific.</p>
2	Question 20	Re-number question #20 to #19	Re-number question #20 to #19	Question #20 is mis-numbered in the current version of the CMS-3070G form. It should be labeled as question #19 because the previous question is #18.
2	Question 20(b)(2)  (renumbered as question 19(b)(2) in revised CMS-3070G form)	Change the term <i>“Autism”</i> to <i>“Autism Spectrum Disorder”</i>	Change <i>“Autism”</i> to <i>“Autism Spectrum Disorder”</i>	We have changed the term <i>“Autism”</i> to <i>“Autism Spectrum Disorder”</i> because this is the currently accepted and used term for this disorder.
