

## CLIA Certification Kits

Certification kits for CLIA labs contain six tabs:

- Certification & Surveys
- Tracking
- Transmittal (CMS-1539)
- Survey (CMS-1557)
- 1557 Specialties
- Upload

### Certification & Surveys tab

Every certification kit opens initially to the Certification & Surveys tab. It has five sections:

- Certification Properties
- Citation List
- Survey List
- Special Fields
- CLIA

### Certification Properties and Responsible Parties

The Certification Properties section of the Certification & Surveys tab contains basic information about the current certification kit. The Responsible Parties field lists responsible parties assigned to the certification kit.
