

Appendix II: Comment & Response Summary
Coverage of Certain Preventive Services Under the Affordable Care Act
(CMS-10653/OMB Control Number: 0938-1344)

Comment: We received one comment on the information collection requirements. The commenter stated “the proposed collection is appropriate.” The commenter also urged the Centers for Medicare & Medicaid Services to revise existing regulations to ensure equitable access to preventive services for all Americans.

Response: We thank the commenter for its comments. The Departments of Health and Human Services, Labor, and the Treasury will take these comments into consideration for future work in this area.
