SSA will insert the following revised Privacy Act Statement into the form at its next scheduled reprinting:

**Privacy Act Statement
Collection and Use of Personal Information**

Sections 205(a), 223(d), and 1631(e)(1) of the Social Security Act, as amended, authorize us to collect this information. We will use the information you provide to make a decision on the named claimant's claim. Furnishing us this information is voluntary. However, failing to provide us with all or part of the information could prevent an accurate or timely decision on the named claimant's claim.

We rarely use the information you supply for any purpose other than to make a decision on the named claimant's claim. However, we may use the information for the administration of our programs including sharing information:

1. To comply with Federal laws requiring the release of information from our records (e.g., to the Government Accountability Office and Department of Veterans Affairs);
2. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity and improvement of our programs. (e.g., to the Bureau of Census and to private entities under contract with us).

A complete list of when we may share your information with others, called routine uses, is available in our Privacy Act System of Records Notices entitled, Supplemental Security Income Record and Special Veterans Benefits (60-0103), Claims Folders System (60-0089), Master Beneficiary Record (60-0090), and Electronic Disability Claim File (60-0320). Additional information about this and other system of records notices and our programs are available from our Internet website at www.socialsecurity.gov or at your local Social Security office.

We may share the information you provide to other health agencies through computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. We use the information from these programs to establish or verify a person's eligibility for federally funded or administered benefit programs and for repayment of incorrect payments or delinquent debts under these programs.

SSA will insert the following revised PRA Statement into the form at its next scheduled reprinting:

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. We estimate that it will take about 60 minutes to read the instructions, gather the facts, and answer the questions. ***Send only comments relating to our time estimate above to: SSA, 6401 Security Blvd, Baltimore, MD 21235-0001.***
