ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire (Wave 27)

> *Note: The questions below are the proposed questions for the twenty-sixth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 27 only or are being asked again to update data on a variable of interest. We will be fielding new questions about boosters, variant concerns, and perceptions of the goals of the pandemic.*
> *ASPA will provide OMB with updates to the questionnaire for subsequent Waves.*
