

# Reporting Your Survey of Occupational Injuries and Illnesses Data via the Internet

The Bureau of Labor Statistics is pleased to offer the convenience of reporting your Survey of Occupational Injuries and Illnesses data via the Internet. Please follow the instructions below to use the BLS Internet Data Collection Facility to report your injury and illness data for the Survey of Occupational Injuries and Illnesses. If you need help or are unable to report using the Internet, please call the telephone number(s) listed for your state on the back cover of the form.

## Using the Internet to report for the Survey of Occupational Injuries and Illnesses

Before reporting your data, you must register online with the BLS even if you have done so in previous years or for other BLS surveys. **Please ensure that the individual registering this account will be the one entering data for the Survey of Occupational Injuries and Illnesses.** Please follow the instructions below to create an account and to enter your injury and illness data.

1. Type <https://idcf.bls.gov> directly into your Internet browser. The “s” in “https” is required.
2. Enter the 12-digit User ID in the field labeled “User ID” and the Temporary Password in the field labeled “Password.” Click, *I Accept*.
