

## Final Summary of Program Performance

Please address the following questions. The quantitative data requested in Section 3 are optional if the Participating State did not collect the requested data.

### Section 1: Participating State

**1A.** Enter the name of the Participating State:

**1B.** Enter information below about the specific department, agency, or political subdivision of the Participating State that has been designated to implement the Approved State Program(s). Organization Name:

Section 2: Narrative Responses. Please limit each response to 2 to 3 paragraphs.

**2.1 Purpose of the Allocation:** What were the objectives of the programs described in your application and modification(s)? Did those objectives change over time, if so how? If the objective changed, when did it change and why? To what extent did your programs achieve their objectives?

**2.2 Underserved Communities:** In the SSBCI Application, each Participating State presented a plan for targeting underserved communities, as defined by the Participating State. Describe which communities were targeted, how, and how performance was measured.

**2.3 Staffing:** How many FTEs directly staffed each program, including Participating State and contracted employees? What was the average proportion of the program manager's time spent on SSBCI over the course of the most recent year? How many different program managers oversaw each program since inception or incorporation into SSBCI?

**2.4 Loss Rates:** For each program, how many loans or investments have been written down to less than 50% of the original investment value on the balance sheet of the lender or investor with capital at risk and what amount of SSBCI funds were uncollected or lost on those transactions?

**2.5 Job creation/retention:** Does your organization collect jobs data at any point after the original transaction? If so, describe how new jobs are defined and how often you collect this data. For each program, please report the total number of employees for all businesses that participated in the program and the year(s) of verification.

**2.6 Post Allocation Agreement activity:** For each program, will you continue to operate the program after the Allocation Agreement expires? If yes, what if any changes do you intend to make? If no, please explain why the program will no longer operate.

2.7 Feedback: How could SSBCI have had more impact on the availability of capital for small	
businesses?	

2.8 Feedback: Are there other outcomes from SSBCI that you would like to highlight?
