

INSTRUCTIONS

See Security Directive Pipeline-2021-02: Pipeline Cybersecurity Mitigation Actions, Contingency Planning, and Testing.

The response plan is section II.C.

The design review is section II.D.

The statements of completion are II.B.1.f., II.B.4., II.C.3., II.D.4.

Paperwork Reduction Act Burden Statement: This is a mandatory collection of information. TSA estimates that the total average burden per response associated with this collection is approximately 80 hours for the contingency response plan, 42 hours for the third party cybersecurity evaluations and 8 hours for the Certification of completion of security directive requirements. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The control number assigned to this collection is OMB 1652-0056, which expires on 1/31/2022. Send comments regarding this burden estimate or collection to: TSA-11, Attention: PRA 1652-0056 Pipeline CSR, 6565 Springfield Center Drive, Springfield, VA 22150.
