**Transportation Security Administration**  
[Docket No. TSA-2004-19147]

**Revision of Agency Information Collection Activity Under OMB Review: Flight Training Security**

**AGENCY:** Transportation Security Administration, DHS.

**ACTION:** 30-Day notice.

**SUMMARY:** This notice announces that the Transportation Security Administration (TSA) has forwarded the Information Collection Request (ICR), Office of Management and Budget (OMB) control number 1652-0021, abstracted below to OMB for review and approval of a revision of the currently approved collection under the Paperwork Reduction Act (PRA). The ICR describes the nature of the information collection and its expected burden. The collection involves the submission of identifying information for background checks for all non-U.S. citizens, non-U.S. nationals and other designated individuals seeking flight instruction ("candidates") from Federal Aviation Administration (FAA)-certificated flight training providers. Through the information collected, TSA will determine whether a candidate is a threat to aviation or national security, and thus prohibited from receiving flight training. Additionally, flight training providers are required to conduct a security awareness program for their employees and contract employees and to maintain records associated with this training.

**DATES:** Send your comments by February 18, 2022. A comment to OMB is most effective if OMB receives it within 30 days of publication.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under Review—Open for Public Comments" or by using the find function.
