- Maintain requested contact and employment information; and
- Maintain their PIMS accounts by:
  - o Protecting account login names and passwords;
  - o Submitting accurate information for current address, phone number, employment status and employer information; and
  - o Using the PIMS only to access their own information.

The routine uses of this information include sending the information, in the event of litigation, to the Department of Justice (DOJ), a court, adjudicative body, counsel, party, or witness if the disclosure is

relevant and necessary to the litigation. If this information, either alone or with other information, indicates a potential violation of law, we may send it to the appropriate authority for action. We may also send this information to law enforcement agencies if the information is relevant to any enforcement, regulatory, investigative, or prosecutorial responsibility within the receiving entity's jurisdiction. We may send information to the Department of Treasury and to credit agencies to verify the identity and location of the debtor and to the Department of Treasury, collection agencies, and employers of the scholarship recipient in order to service or collect on the debt. We may send information to members of Congress if you ask them to help you with questions related to this Program. In circumstances involving employment complaints, grievances, or disciplinary actions, we may disclose relevant records to adjudicate or investigate the issues. If provided for by a collective bargaining agreement, we may disclose records to a labor organization recognized under 5 U.S.C. Chapter 71. If necessary for the Department to obtain advice from the DOJ, we can disclose information to the DOJ. We may disclose information to the DOJ or the Office of Management and Budget (OMB) to help us determine whether the Freedom of Information Act requires the disclosure of particular records. We can disclose records to contractors if we contract with an entity to perform functions that require the disclosure of the records. Disclosures may also be made to qualified researchers under Privacy Act safeguards. Finally, disclosures may be made to OMB as necessary under the requirements of the Credit Reform Act.

## F. Eligible Employment

Eligible employment performed on a part-time or full-time basis with compensation must: 1) be in a State vocational rehabilitation agency or related agency; and, 2) in the field of study for which training was received or where the field of study is directly relevant to the job functions performed. Only eligible employment records can be submitted for university approval and employer verification.

Once you have submitted an employment record, it will be sent by PIMS to the Project Director at your university for approval. Once it has been approved and deemed by your university as eligible employment it will be sent to your employer for verification. Once it has been verified by your employer, credit will be applied to your total service obligation fulfilled to date.

Your employer will have 30 days from the date your Project Director approves the employment to verify or dispute the information in the record. For more information on disputed records, click on the "View All Employment Records" link.

You cannot update your current employment record until your employer verifies, disputes the record, or the 30-day verification window expires. Past employment records cannot be edited once submitted unless your employer disputes the record. If your current, full-time position becomes part-time, you must add an end date to the current full-time record and create a new record for the part-time position.

To update your current employment record, click on the "Update Current Employment" link or on the name of your current employer. REMINDER: The scholar is responsible for employer verification of eligible employment.

### REPORTING REQUIREMENTS

As a scholar, you are required to update PIMS with your contact and employment information every 6 months. You will receive automated reminder emails from PIMS and/or phone calls from the PIMS Help Desk reminding you to add an employment record or update your current employment record.

If you are within your two-year grace period or in an approved RSA deferment status and you are not working, or you have no changes to your employment, you must click the check box below. Otherwise you must enter employment information.

## G. Deferrals and Exception

According to the Program Regulations (§386.41(a)(7)) “based upon sufficient evidence to substantiate the grounds as detailed in §386.42, a repayment exception to or deferral of the requirements of §386.40(a)(7) may be granted, in whole or in part, by the Secretary.” Requests are reviewed by the PIMS and Rehabilitation Services Administration, Training Programs Unit staff.

Scholars are required to submit supporting documentation with their repayment exception or deferral request.

Evidence to support a deferral request must include official documentation from the appropriate entity, such as a university, the armed services, or Peace Corps including start and end dates.

Evidence to support an exception request must also contain official documentation, such as a death certificate or signed documentation from a qualified, licensed physician stating that you are:

- unable to continue the course of study because of a disability that is permanent; or
- unable to perform the work obligation because of a disability that is expected to continue indefinitely or is permanent.

You can upload an electronic version of the documentation below or you may mail or fax the documentation to the PIMS Helpdesk at 1600 Research Blvd, RA 2173, Rockville, MD 20850 or 888-252-6960.

### REASON FOR EXCEPTION

I am unable to continue a course of study or perform the work obligation because of a permanent disability that meets one of the following conditions: 1) The disability had not been diagnosed at the time I signed the agreement in §386.34(c) or 2) The disability did not prevent me from performing the requirements of the course of study or the work obligation at the time I signed the agreement in §386.34(c) but subsequently worsened.

### REASON FOR DEFERRAL

I am engaging in a full-time course of study in the field of rehabilitation at an institution of higher education.

I am serving on active duty as a member of the armed services of the United States for a period not in excess of four years.

I am serving as a volunteer under the Peace Corps Act

I am serving as a full-time volunteer under title I of the Domestic Volunteer Service Act of 1973.

I am experiencing a temporary disability that affects my ability to continue the course of study or perform the work obligation, for a period not to exceed three years.

Under limited circumstances as determined by the Secretary and based upon credible evidence submitted on behalf of the scholar, the Secretary may grant an exception to, or deferral of, the requirement to repay a scholarship in instances not specified in this section. These instances could include, but are not limited to, the care of a disabled spouse, partner, or child or the need to accompany a spouse or partner on active duty in the Armed Forces. I am experiencing one of these circumstances.
