Tab Name	Description
Data Groups	Contains the data groups and data group descriptions
Data Categories	Contains the lists of permitted values for each category

OMB# 1850-0925 v.8

Date March 2022

Instructions

- * Column A provides the status of each data group (No changes Revised, Retired, New, Technical Correction). This cused to filter data groups by their change code to easily identify what has changed since the prior package.
- * Columns J, L, N, P, and S are only populated for those data groups that are new or have revisions.
- * Column A provides the status of each data group (No changes Revised, Retired, New, Technical Correction). This cused to filter categories by their change code to easily access what has changed.
- * Columns I, L, and O are only populated for those categories that are new or have revisions.

For a more detailed readers guide to this document, see Appendix E of this package.

Data Group Definition (SY 2021-22)

The seven-digit unique identifier assigned to the LEA by NCES. Also known as NCES LEA ID.

The identifier assigned to an LEA by the SEA. Also known as State LEA Identification Number (ID).

The identifier assigned to a school by the SEA. Also known as State School Identification Number (ID).

The full registered name of the school, LEA, SEA, or other entity reporting education data.

The set of elements that describes the mailing address of the education entity, including the mailing address, city, state, ZIP Code and ZIP Code + 4.

The set of elements that describes the physical location of the education entity, including the street address, city, state, ZIP Code and ZIP Code + 4.

The 10-digit telephone number, including the area code, for the education entity.

The Uniform Resource Locator (URL) for the unique address of a Web page of an education entity.

The classification of the operational condition of a local education agency (LEA).

The grade level(s) offered by the school or district.

The classification of schools based on the curriculum concentration.

An indication of whether the school is a magnet school or has a magnet program within the school.

The official unduplicated student enrollment, including students both present and absent, excluding duplicate counts of students within a specific school or local education agency or students whose membership is reported by another school or LEA.

The unduplicated number of students who graduated from high school or completed some other education program that is approved by the state or local education agency (SEA or LEA) during the school year and the subsequent summer school.

The unduplicated number of dropouts. Dropouts are defined as students who (1) were enrolled in school at some time during the school year, were not enrolled the following school year, but were expected to be in membership (i.e., were not reported as dropouts the year before), (2) did not graduate from high school (graduates include students who received a GED without dropping out of school), (3) did not complete a state or district-approved educational program, and (4) did not meet any of the following exclusionary conditions: (4a) transfer to another public school district, private school, or state- or district-approved educational program; (4b) temporary school-recognized absence due to suspension or illness; or (4c) death.

The classification of an education unit reported in the local education agency (LEA) file.

The contact information of the chief state school officer, including first and last name, official title, phone number, and email address.

The number of full-time equivalent (FTE) staff.

The twelve-digit unique identifier assigned to the school by NCES. Also known as NCES School ID.

The classification of the operational condition of a school.

The three-digit unique identifier assigned to the supervisory union.

The two-digit American National Standards Institute (ANSI) code for the state, District of Columbia, and the outlying areas and freely associated areas of the United States.

The unduplicated number of students who are eligible to participate in the Free Lunch and Reduced-Price Lunch Programs under the National School Lunch Act of 1946.

A number used to uniquely identify state agencies.

The date a change in a directory data element takes place.

An indication that a school offers career and technical education or other educational services in which some or all students are enrolled at a separate school of record and attend the shared-time school on a part-time basis.

The number of full-time equivalent (FTE) classroom teachers.

An indication that the mailing or location address of the LEA or school is outside of the state.

An indication that the school was restructured, transformed or otherwise changed as a consequence of the state's accountability system under ESEA or as a result of School Improvement Grants (SIG), but is not recognized as a new school for CCD purposes.

The classification of participation by a school in the National School Lunch Program (NSLP).

An indication of the extent to which a public school offers instruction in which students and teachers are separated by time and/or location, and interaction occurs via computers and/or telecommunications technologies.

The unduplicated number of students in membership whose National School Lunch Program (NSLP) eligibility has been determined through direct certification.

The unduplicated number of English learners who were assessed on the annual state English language proficiency assessment and who received services in an English language instruction educational program supported with Title III of ESEA, as amended, funds.

The unduplicated headcount of teachers who taught in language instruction educational programs designed for English learners supported with Title III of ESEA, as amended by ESSA, funds.

The unduplicated number of students who meet the definition of immigrant children and youth in Title III of ESEA, as amended.

The unduplicated number of English learners served by an English language instruction educational program supported with Title III of ESEA, as amended, funds.

The number of former English learners who are meeting and not meeting the challenging State academic standards as measured by proficiency for each of the four years after such children are no longer receiving services under Title III of ESEA, as amended.

The unduplicated number of English learners who were enrolled at the time of the state annual English language proficiency assessment.

The unduplicated number of English learners who were enrolled during the time of the state English language proficiency assessment and who received services in an English language instruction educational program supported with Title III of ESEA, as amended, funds.

The unduplicated number of English learners who took the annual state English language proficiency assessment.

The unduplicated number of English learner students enrolled in an elementary or secondary school.

The number of English learners served by an English language instruction educational program supported with Title III of ESEA, as amended, funds.

The number of English learners who have attained and not attained English language proficiency within five years of initial classification as an English learner and first enrollment in a local educational agency that receives Title III of ESEA, as amended, funds.

The number of English learners in programs receiving Title III funds who have exited and not exited a language instruction educational program as a result of attaining English language proficiency.

An indication that a public school provides free public elementary and/or secondary education to eligible students under a specific charter issued, pursuant to a state charter school law, by an authorized chartering agency/authority and that is designated by such authority to be public charter school.

The status of a charter district as an LEA for purposes of federal programs.

The full legally accepted name of the authorized public chartering agency that currently oversees the charter school.

The identifier assigned to an authorized public chartering agency by the SEA.

The set of elements that describes the physical location of the authorized public chartering agency, including the street address, city, state, ZIP Code and ZIP Code + 4.

The set of elements that describes the mailing address of the authorized public chartering agency, including the mailing address, city, state, ZIP Code, and ZIP Code + 4.

The type of organization.

The unique identifier assigned to an authorized public chartering agency by the SEA.

The full legally accepted name of the management organization.

The identification number issued by the IRS in order for the entity to pay federal taxes to the U.S. Treasury and report wages to the IRS and Social Security Administration.

The set of elements that describes the physical location of the management organization, including the street address, city, state, ZIP Code, and ZIP Code + 4.

The set of elements that describes the mailing address of the management organization, including the mailing address, city, state, ZIP Code and ZIP Code + 4.

The type of management organization.

The unique number an SEA assigns to the contract (or charter) that authorizes the charter school to operate in the state under the state's charter school legislation.

The effective date of the contract (or charter) that an approved charter school authorizer authorized the charter school to operate in the state under the state's charter school legislation.

The date by which the charter school must renew its contract (or charter) with an approved charter school authorizer in order to continue to operate in the state under the state's charter school legislation.

The identification number issued by the IRS in order for the entity (charter management organization) to pay federal taxes to the U.S. Treasury and report wages to the IRS and Social Security Administration.

How charter schools receive state appropriations.

The unduplicated number of migratory students who received instructional or support services in a Migrant Education Program (MEP).

The unduplicated number of eligible migratory students enrolled in a public school during the regular school year.

An indication of whether the school has a schoolwide program, as defined by Title I of ESEA as amended, in which federal Migrant Education Program (MEP) funds are consolidated as authorized under 34 CFR Section 200.29.

The unduplicated number of eligible migratory students.

The unduplicated number of eligible migratory students served by a Migrant Education Program (MEP) during the summer/intersession term.

The number of eligible migratory children who receive services funded by MEP.

An indication of whether the school is identified as persistently dangerous in accordance with state definition.

The unduplicated number of students who were involved in an incident involving a firearm.

An indication of whether the school or local education agency (LEA) submitted a Gun-Free Schools Act (GFSA) of 1994 report to the state, as defined by Title 18, Section 921.

The number of students served by Title I, Part D, Subpart 1 of ESEA, as amended, for at least 90 consecutive days during the reporting period who took both a pre- and post-test.

The number of students served by Title I, Part D, Subpart 2 of ESEA, as amended, for at least 90 consecutive days during the reporting period who took both a pre- and post-test.

The unduplicated number of homeless students enrolled in public schools at any time during the school year.

The number of students participating in programs for neglected or delinquent students (N or D) under Title I, Part D, Subpart 1 (State Agency) of ESEA, as amended.

The number of students participating in programs for neglected, delinquent, or atrisk students (N or D) under Title I, Part D, Subpart 2 (LEA) of ESEA, as amended.

An indication of whether the LEA received a McKinney-Vento subgrant.

The number of students participating in programs for neglected or delinquent students (N or D) under Title I, Part D, Subpart 2 (LEA) of ESEA, as amended, who attained academic and career and technical outcomes while enrolled in the programs.

The number of students participating in programs for neglected or delinquent students (N or D) under Title I, Part D, Subpart 1 (State Agency) of ESEA, as amended, who attained academic and career and technical outcomes while enrolled in the programs.

The unduplicated number of students who completed the state assessment in science and for whom a proficiency level was assigned.
The unduplicated number of students who were enrolled during the period of the state assessment in mathematics.
The unduplicated number of students who were enrolled during the period of the state assessment in reading/language arts.
The unduplicated number of students who were enrolled during the period of the state assessment in science.

An indication that the local educational agency (LEA) notified the state of the LEA's intention to use its Title II, Part A or Title IV, Part A funds for alternative uses, as authorized in Title V, Section 5211 of ESEA, as amended.

The unduplicated number of students participating in and served by programs under Title I, Part A of ESEA, as amended.

The number of students who graduate (1) in four years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the four-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the four-year adjusted cohort graduation rate who did or did not graduate (1) in four years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in five years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the five-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the five-year adjusted cohort graduation rate who did or did not graduate (1) in five years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in six years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the six-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the six-year adjusted cohort graduation rate who did or did not graduate (1) in six years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in seven years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the seven-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the seven-year adjusted cohort graduation rate who did or did not graduate (1) in seven years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in eight years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the eight-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the eight-year adjusted cohort graduation rate who did or did not graduate (1) in eight years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in nine years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the nine-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the nine-year adjusted cohort graduation rate who did or did not graduate (1) in nine years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in ten years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the ten-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the ten-year adjusted cohort graduation rate who did or did not graduate (1) in ten years or less with a regular high school diploma awarded to a preponderance of students or (2) a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The classification of a school's poverty quartile for purposes of determining the number of inexperienced, emergency/provisional credentialed, and out-of-field teachers in high and low poverty schools, according to state's indicator of poverty.

The number of students who graduated the previous academic year tracked for enrollment in an IHE during the next academic year.

The dollar amount of the Title I of ESEA, Part A allocation reserved by the LEA for parental involvement activities.

The dollar amount of Title I, Part A funds awarded to an LEA by its SEA in accordance with the ESEA's, as amended, regulations that govern the process an SEA uses to adjust the ED-determined Title I, Part A allocations.

The dollar amount that the school received for school improvement under Section 1003(a) of ESEA, as amended.

A school's performance on the graduation rate indicator.

A school's performance on the academic achievement indicator for both mathematics and reading/language arts.

A school's performance on the other academic indicator.		
A school's performance on the progress in achieving English Language proficiency indicator.		
A school's performance on the state-specific indicators of school quality or student success.		
The number of full-time equivalent (FTE) teachers.		
Designation by the state of a school for comprehensive support and improvement, targeted support and improvement, and additional targeted support and improvement.		
The reasons for identification for comprehensive support and improvement (CSI).		
The reasons for identification for targeted support and improvement (TSI).		
The number of students participating in programs for neglected or delinquent students (N or D) under Title I, Part D, Subpart 2 (LEA) of ESEA, as amended, who attained academic and career and technical outcomes up to 90 calendar days after they exit the program.		
The number of students participating in programs for neglected or delinquent students (N or D) under Title I, Part D, Subpart 1 (State Agency) of ESEA, as amended, who attained academic and career and technical outcomes up to 90 calendar days after they exited the program.		
The unduplicated number of children with disabilities (IDEA) who are receiving services and are ages 5 (in kindergarten) through 21.		

The unduplicated number of students with disabilities (IDEA) who are ages 14 through 21, were in special education at the start of the reporting period and were not in special education at the end of the reporting period.

The number of children with disabilities (IDEA) who are ages 3 through 21 and suspended or expelled for disciplinary reasons.

The number of times children with disabilities (IDEA) who were ages 3 through 21 and unilaterally removed by school personnel (not the IEP team) from their current educational placement to an interim alternative educational setting (determined by the IEP team) due to drug or weapon offenses or serious bodily injury.

The number of full-time equivalent (FTE) special education teachers employed or contracted to work with children with disabilities (IDEA) who were ages 3 through 21.

The number of children with disabilities (IDEA) who are ages 3 through 21 and removed to an interim alternative educational setting.

The unduplicated number of children with disabilities (IDEA) who are ages 3 through 21 who were subject to any kind of disciplinary removal during the school year.

The number of full-time equivalent (FTE) related services personnel employed or contracted to provide related services for children with disabilities (IDEA) who were ages 3 through 21.

The unduplicated number of children with disabilities (IDEA) who are ages 3 through 5 and not in kindergarten.

The number of full-time equivalent (FTE) paraprofessionals employed or contracted to work with children with disabilities (IDEA) who were ages 3 through 21.

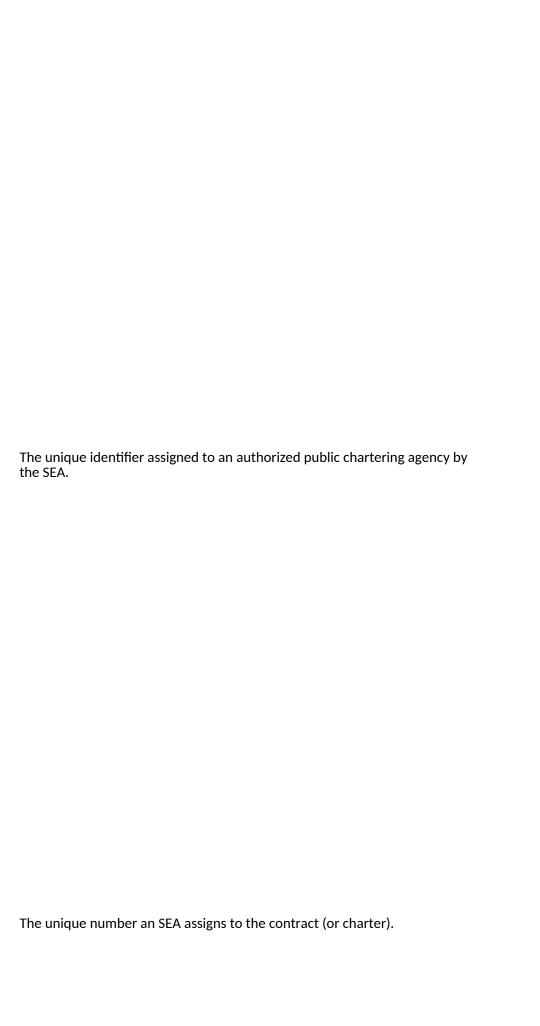

The number of times children with disabilities (IDEA) who were ages 3 through 21 and subject to any kind of disciplinary removal.

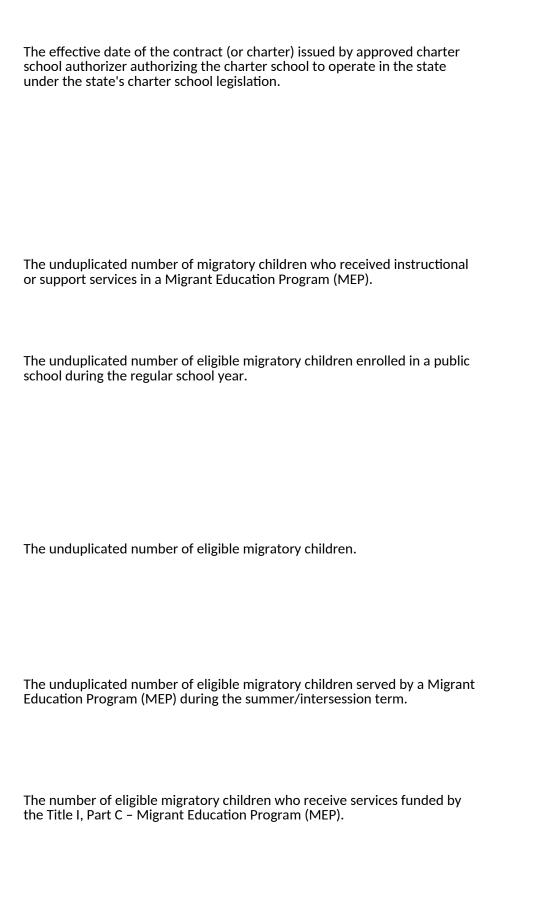

The unduplicated number of children (students) who were removed for disciplinary reasons from their regular school program for the remainder of the school year or longer, including all removals resulting from violations of the Gun-Free Schools Act (GFSA) of 1994.

The amount of federal dollars distributed to local education agencies (LEAs), retained by the state education agency (SEA) for program administration or other approved state-level activities (including unallocated, transferred to another state agency, or distributed to entities other than LEAs).

The unduplicated number of students absent 10% or more school days during the school year.			

Data Group Definition (SY 2022-23 -60-day Changes Only) The unduplicated number of dropouts. Dropouts are defined as students who (1) were enrolled in school at some time during the (current) school year, were not enrolled on October 1st of the following school year, but were expected to be in membership (i.e., were not reported as dropouts the year before), (2) did not graduate from high school (graduates include students who received a High School Equivalency Diploma (HSED) without dropping out of school), (3) did not complete a state or district-approved educational program, and (4) did not meet any of the following exclusionary conditions: (4a) transfer to another public school district, private school, or state- or district-approved educational program; (4b) temporary school-recognized absence due to suspension or illness; or (4c) death.

An indication of whether a school was eligible to receive ESEA Title I, Part A funds to operate a school-level Title I program and whether a school received such funds.

The number of students who graduate (1) in four years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the four-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the four-year adjusted cohort graduation rate who did or did not graduate (1) in four years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in five years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the five-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the five-year adjusted cohort graduation rate who did or did not graduate (1) in five years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in six years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the six-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the six-year adjusted cohort graduation rate who did or did not graduate (1) in six years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in seven years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the seven-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the seven-year adjusted cohort graduation rate who did or did not graduate (1) in seven years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in eight years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the eight-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the eight-year adjusted cohort graduation rate who did or did not graduate (1) in eight years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in nine years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the nine-year adjusted cohort graduation rate.

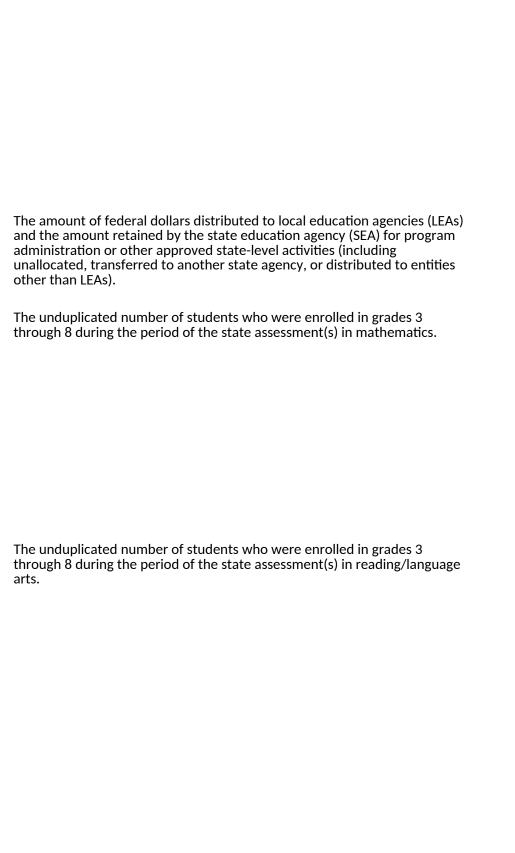

The number of students in the adjusted cohort for the nine-year adjusted cohort graduation rate who did or did not graduate (1) in nine years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.

The number of students who graduate (1) in ten years or less with a regular high school diploma awarded to a preponderance of students in the state or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities divided by the number of students who form the adjusted cohort for the ten-year adjusted cohort graduation rate.

The number of students in the adjusted cohort for the ten-year adjusted cohort graduation rate who did or did not graduate (1) in ten years or less with a regular high school diploma awarded to a preponderance of students or (2) with a State-defined alternate high school diploma for students with the most significant cognitive disabilities.
A school's performance on the Academic Achievement indicator for
mathematics and reading/language arts.

The unduplicated number of children with disabilities (IDEA) who are ages 5 (in kindergarten) through 21 and receiving special education and related service according to an individualized education program (IEP) or a services plan in place on the state's child count date.

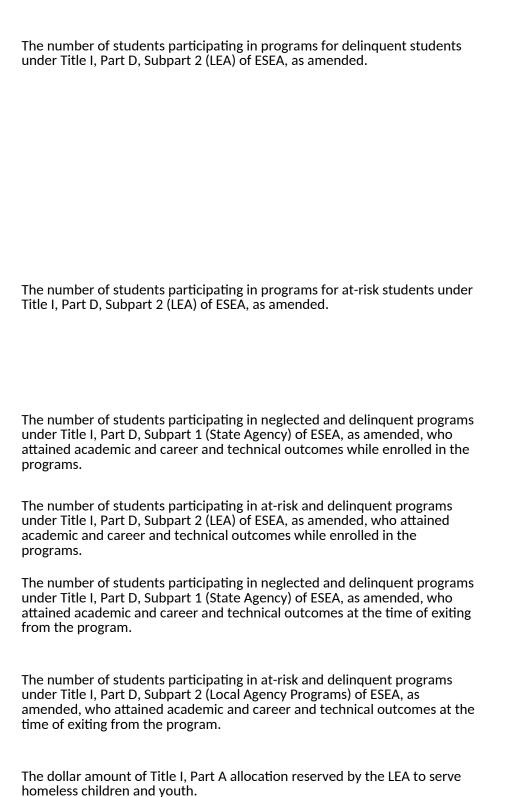

The number of children with disabilities (IDEA) who are ages 3 through 21 as of the child count date and removed to an interim alternative educational setting either unilaterally by school personnel (not the IEP team) or by a hearing officer. The unduplicated number of children with disabilities (IDEA) who are ages 3 through 5 and not in kindergarten and receiving special education and related service according to an individualized education program (IEP), an individualized family service plan (IFSP), or a services plan in place on the state's child count date.

The unduplicated number of students who were enrolled in grades 3 through 8 during the period of the state assessment(s) in science.
The unduplicated number of high school students who were expected to participate in an end-of-grade or end-of-course assessment during the period of the state assessment(s) in mathematics.
The unduplicated number of high school students who were expected to participate in an end-of-grade or end-of-course assessment during the period of the state assessment(s) in reading/language arts.

The unduplicated number of students in grades 3 through 9 who completed the state assessment(s) in science and received a valid score .	
The unduplicated number of students in high school who completed the state assessment(s) in mathematics and received a valid score.	
The unduplicated number of students in high school who completed the state assessment(s) in reading/language arts and received a valid score.	

The unduplicated number of students in high school who completed the state assessment(s) in science and received a valid score.
The number of students who are in foster care and enrolled in a public LEA, all of whom are eligible for Title I, Part A services.
The number of students participating in neglected programs under Title I, Part D, Subpart 1 (State Agency) of ESEA as amended.
The number of students participating in delinquent programs under Title I, Part D, Subpart 1 (State Agency) of ESEA as amended.

The reasons for identification for additional targeted support and

improvement (ATSI).

Data Group Definition (SY 2022-23 -30-day Changes Only)

The five-digit identifier assigned to the LEA by NCES. Used with the two-digit state code to be a unique seven-digit identifier.

The five-digit identifier assigned to the school by NCES. Used with the two-digit state code to be a unique seven-digit. Also used with the seven-digit LEA identifier to be a unique twelve-digit identifier.

The number of students served by Title I, Part D, Subpart 1 of ESEA, as amended, for at least 90 consecutive days during the reporting period who took both an initial and follow-up assessment and received a score.

The number of students served by Title I, Part D, Subpart 2 of ESEA, as amended, for at least 90 consecutive days during the reporting period who took both an initial and follow-up assessment and received a score.

The number of students that receives Title I, Part	who are in foster care A services.	and enrolled in a pub	lic LEA	

The number of students participating in neglected and delinquent programs under Title I, Part D, Subpart 1 (State Agency) of ESEA, as amended, who attained academic and career and technical outcomes at the time of exiting from the program or up to 90 calendar days after exiting the program.

The number of students participating in at-risk and delinquent programs under Title I, Part D, Subpart 2 (Local Agency Programs) of ESEA, as amended, who attained academic and career and technical outcomes at the time of exiting from the program or up to 90 calendar days after exiting the program.

The initially reserved dollar amount of Title I, Part A allocation reserved by the LEA to serve homeless children and youth.

The number of students served by Title I, Part D, Subpart 1 of ESEA, as amended, who participated in a statewide assessment for mathematics and reading.

The number of students served by Title I, Part D, Subpart 1 of ESEA, as amended, who participated in a statewide assessment for mathematics and reading.

Data Group Comment
If address location is not submitted, address location defaults to address mailing.
Each student is counted individually, no full-time equivalency.
Report only for LEAs and schools with graduate levels. Each student is counted individually, no full-time equivalency.

Each student is counted individually, no full-time equivalency.
Used only when there is a hierarchy relationship among LEAs
Previously known as the FIPS state code
SEAs are 01.
An example of a shared times school is a regional career and technical education center that enrolls (or serves) students from high schools on a part-time basis.
While a school may be reconstituted for purposes of SIG or ESEA accountability provisions, for purposes of CCD, the school m recognized as a new school and thus does not receive a new NCES ID. This data group provides a record that an existing scho undergone a school restructuring or transformation when it closes and reopens but does not meet the CCD criteria for being new school. This indicator is used in the school year that the school implements the restructuring or transformation change.

Virtual education is instruction during which students and teachers are separated by time and/or location and interact via intercomputers or other electronic devices.
Report only for LEAs with ESEA, as amended by ESSA, Title III programs.
Report only for LEAs with ESEA, as amended by ESSA, Title III programs.
Report only for LEAs with ESEA, as amended by ESSA, Title III programs.
In Category Sets B and C, the number of students for each academic subject is unduplicated.
Report only for LEAs with ESEA, as amended by ESSA, Title III programs.

Reporting level of SEA is a proxy for authorizer level

Charter schools can have up to two authorizers

Reporting level of SEA is a proxy for authorizer level

Reporting level of SEA is a proxy for authorizer level

Reporting level of SEA is a proxy for authorizer level

Reporting level of SEA is a proxy for authorizer level

LEA level is a proxy for management organization

School level is a proxy for charter contracts

School level is a proxy for charter contracts
School level is a proxy for charter contracts/Only charter schools with charter management organizations
Reporting level is marked as school level because the FS is linking charter management organizations to charter schools at the Only charter schools with charter management organizations.
State appropriations consist of funds provided by the state government only and do not include allocations of funds from fed
Do not include students in schoolwide programs that consolidate MEP funds.
Count eligibility regardless of whether school received MEP funds and regardless of whether the students participated in MEF
30-day change: Updated Statutory and/or regulatory reference numbers
Includes migratory students regardless of whether they participated in MEP services. Children from ages 3 through 21 will be category 1 count.
This is the category 2 count.

Students reported in category set A are also reported in either category set B or C depending on whether the students are ch disabilities (IDEA).
The number of students for each combination of academic subject and N or D program is unduplicated.
The number of students for each combination of academic subject and N or D program is unduplicated.
The number of students for each combination of academic subject and N or D program is unduplicated.
The number of students for each N or D program is unduplicated.
The number of students for each N or D program is unduplicated.

Report only for LEAs with Title I programs.

State-defined alternate high school diploma should be defined in accordance with Section 8101(25)(A)(ii)(I)(bb) of ESEA, as an ESSA.

EUTs = LEAs/Schools with a 12th grade that have at least one student in the cohort.

State-defined alternate high school diploma should be defined in accordance with Section 8101(25)(A)(ii)(I)(bb) of ESEA, as an ESSA.

EUTs = LEAs/Schools with a 12th grade that have at least one student in the cohort.

State-defined alternate high school diploma should be defined in accordance with Section 8101(25)(A)(ii)(I)(bb) of ESEA, as an ESSA.

Category Definition (SY 2021-22)
The statuses describing the operational condition of an LEA.
Grade levels that are offered.
The types of schools based on the curriculum concentration.
The statuses describing magnet schools and agnet programs within the schools.
An indication that students are either female or male.
The types of high school credential received by high school completers.
The general racial category that most clearly reflects individuals' recognition of their community or with which the individuals most identify.

An indication that students met the definition of an English learner.
An indication that students were identified as homeless.
An indication that students meet the state criteria for classification as
economically disadvantaged.
An indication that students are eligible migratory children.
The grade level (primary instructional level) of students at which
students decided to leave school before graduating.

The classifications describing the operational conditions of LEAs.
Titles of employment, official status, or rank.
The statuses describing the operational condition of a school
An indication of students' qualification for free or reduced-price lunch.
An indication of students qualification for free of reduced-price functi.

The statuses describing whether some or all students are enrolled at a separate school of record and attend the shared-time school on a part-time basis.

The statuses describing the relationship between an education unit's address and the SEA reporting the education unit.

The statuses describing participation in the National School Lunch Program (NSLP).

The statuses describing the extent to which a public school offers instruction in which students and teachers are separated by time and/or location and interaction occurs via computers and /or telecommunication technologies.

An indication of the progress made by students toward English proficiency.

An indication of whether students met the definition of an English learner.

The language normally used by students or normally used by the parents of the students.

An indication that immigrant students participated in programs for immigrant children and youth funded under ESEA, as amended, Title III Section 3114(d)(1) using funds reserved for immigrant education programs/activities.

The grade level (primary instructional level) of students.
An indication of which of the four years an English learner is in after no longer receiving services under Title III of ESEA, as amended.
The description of the content or subject area of an assessment.
An indication of whether students participated in assessments.
The types of English language proficiency assessments administered.
An indication that students are taking the English language proficiency assessment for the first time.

The types of English language instruction educational program.
The proficiency status of English Learners within five years.
The exit status of English Learners.
The statuses describing existence of a specific charter executed, pursuant to a state charter school law, by an authorized chartering agency/authority and that is designated by such authority to be public charter school.
The statuses describing a charter district as an LEA for purposes of federal programs.
The organization types that authorize charters.
The organization types that manage charter schools.
Methods used to provide state appropriations to charter schools.

The discrete age or grade level (primary instructional level) of students (children).
The discrete age or grade level (primary instructional level) of students (children).
An indication that migratory children who have made a qualifying move within the previous 1-year period and who - (1) are failing, or most at risk of failing, to meet the challenging State academic standards; or (2) have dropped out of school.
An indication that migratory children are receiving instructional or support services under the continuation of services authority ESEA, as amended, Title I, Part C Section 1304(e)(2)-(3). The statuses describing consolidation of federal Migrant Education Program (MEP) funds.

An indication that the qualifying arrival date (QAD) occurred within 12 months of the end of the reporting period (8/31).
The types of services received by eligible migratory students in the migrant education program (MEP). The statuses for designation as persistently dangerous.
The types of weapons. The methods used to discipline students who are not children with disabilities (IDEA) involved in firearms and other outcomes of firearms incidents.
The statuses describing submission of reports required by Gun-Free Schools Act (GFSA) of 1994.
The types of program under ESEA, as amended, Title I, Part D, Subpart 1 (state programs).
The amount of progress shown in academic subjects.
The description of the content or subject area of an assessment.

The types of program under ESEA, as amended, Title I, Part D, Subpart 2 (LEA programs).
The discrete age or grade level (primary instructional level) of students (children).
The primary nighttime residence of the students at the time the students are identified as homeless.
An indication that homeless youths were unaccompanied by parents or legal guardians.
The discrete age of students (children).
An indication that students were served for at least 90 consecutive days during the reporting period by Title I, Part D of ESEA as amended.

The statuses describing subgrants for McKinney-Vento.
The types of academic or career and technical outcome attained.
An indication that students have disability status under Section 504.
The age ranges of children birth through 5 (not Kindergarten).
The statuses describing designation under state and federal regulations as being eligible for participation in programs authorized by Title I of ESEA as amended and existence of Title I programs.
An indication that students are homeless regardless of whether the students are receiving services under McKinney-Vento. The types of assessments administered.

The grade level assigned by the school system in which the students are enrolled.
The major racial and ethnic groups states use for reporting data.
An indication that students are in foster care.
An indication that the students are military connected.
An indication that students met the definition of an English learner and are not excluded because they have attended schools in the U.S. fewer than 12 months.
The statuses describing the intention to use Alternative Fund Use Authority (AFUA).

The discrete age or grade level (primary instructional level) of students (children).
The types of Title I programs offered in the school or district.
An indication of whether students in a cohort graduated with a high school diploma within the allowable time.
Poverty quartiles.
The action taken with respect to postsecondary enrollment by students who graduated.
Statuses for graduation rate.
Indication of state defined status.

Statuses for academic achievement.
The major racial and ethnic groups states use for reporting accountability data.
Chabaran fan anadami'n muannan
Statuses for academic progress.
Statuses for progress in achieving English language proficiency.
The label for the School Quality or Student Success Indicators used by state for Accountability under ESEA, as amended by ESSA.
Statuses for school quality or student success.
An indication of whether teachers have been identified as inexperienced as defined by the state.
An indicator of whether teachers have been identified as having emergency or provisional credentials.

An indication of whether teachers have been identified as teaching a subject or field for which they are not certified or licensed as defined by the state.

Designation by the state for Comprehensive Support and Improvement.

Designation by the state for additional Targeted Support and Improvement.

Designation by the state for Targeted Support and Improvement.

An indication of whether a reason applies.

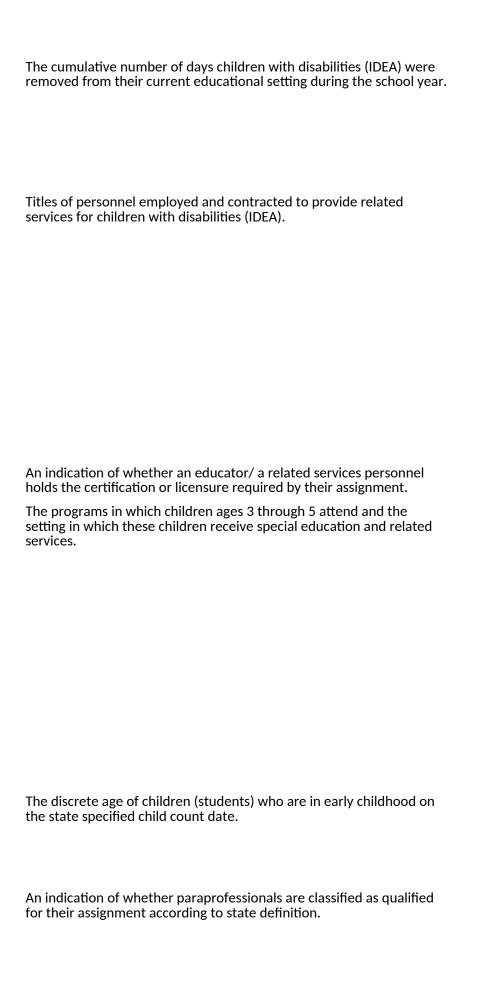

The reasons for identification as a comprehensive support or improvement schools.

The reasons for identification as a targeted or additional targeted

support or improvement school.

The types of academic or career and technical outcome attained.
The primary disability as identified in the Individualized Education Program (IEP), Individualized Family Service Plan (IFSP), or service plan.
The settings in which school-aged children ages 5 who are kindergarten through 21 receive special education and related services.
The primary disability as identified in the Individualized Education Program (IEP).

The reason children who were in special education at the start of the reporting period, but were not in special education at the end of the reporting period.
The types of suspension or expulsion used for the discipline of children with disabilities.
The cumulative number of days children with disabilities (IDEA) were suspended or expelled during the school year for disciplinary reasons.
The reasons why children with disabilities (IDEA) were unilaterally removed from their current educational placement to an interim alternative educational setting.
The age range of students (children).
An indication of whether special education teachers are fully certified in the State.
The types of interim removal from current educational setting experienced by children with disabilities (IDEA).

An indication of whether children (students) received educational services when removed from the regular school for disciplinary reasons.
An indication of whether scores were proficient or above.
An indication that children (students) are children with disabilities (IDEA).
The unique five-digit number assigned to each federal program as listed in the Catalog of Federal Domestic Assistance (CFDA).
The types of allocation or distribution made.

Category Definition (SY 2022-23 -60-day Changes Only)

The classifications describing the operational conditions of LEAs.

An indication that migratory children received MEP-funded services and met the definition of "priority for services": children who have made a qualifying move within the previous 1-year period and who - (1) are failing, or most at risk of failing, to meet the challenging State academic standards; or (2) have dropped out of school.

An indication that formerly eligible migratory children received MEP-funded services under the continuation of services authority ESEA, as amended, Title I, Part C Section 1304(e)(1).

An indication that the children's qualifying arrival date (QAD) occurred within 12 months of the end of the reporting period (8/31).
The types of MEP-funded services received by eligible migratory children
The types of firearms.

The statuses describing LEA subgrants for McKinney-Vento.
An indication that students have disability status under Rehabilitation
Act, as amended, Section 504 (and not the definition of disability under the Individuals with Disabilities Act).

The major racial and ethnic groups states use for reporting data, as defined in the State's ESEA Consolidated State Plan.

The major racial and ethnic groups states use for reporting accountability data, as defined in the State's ESEA Consolidated State Plan.

An indication of participation in types of lower grade reading/language arts assessments.	

An indication of participation in types of lower grade science assessments.
An indication of participation in types of mathematics high school
assessments.
An indication of participation in types of reading/language arts high school assessments.

An indication of participation in types of science high school assessments.
The types of neglected programs under Title I, Part D, Subpart 1 (State Agency) of ESEA as amended.
The types of delinquent programs under Title I, Part D, Subpart 1 (State Agency) of ESEA as amended or under Title I, Part D, Subpart 2 (LEA) of ESEA, as amended.
An indication that the school was restructured, transformed, or otherwise changed as a consequence of the state's accountability system under ESEA or as a result of School Improvement Grants (SIG), but is not recognized as a new school for CCD purposes. The classifications describing the operational condition of the local education agency (LEA).
education agency (EEA).

The classification of schools based on the curriculum concentration.
The classification of an education unit reported in the local education agency (LEA) file.
The classifications describing the operational condition of a school.
An indication that the mailing or location address of the LEA or school is outside of the state. The statuses describing the existence of charter schools.
The status of a charter district as an LEA for purposes of federal programs.

1110 8	grade level(s) offered by the school or district.
other	ndication that a school offers career and technical education or r educational services in which some or all students are enrolled separate school of record and attend the shared-time school on time basis.
regul	ndication that a school is designated under state and federal lations as being eligible for participation in programs authorized tle I of ESEA as amended and whether it has a Title I program.
The t	type of management organization.
The g	graduation rate indicator type.
The a	academic achievement indicator type.

The other academic indicator type.
The Progress Achieving English Language Proficiency indicator type.
An indication of whether related services personnel hold the certification or licensure required by their assignment.
An indication of whether educators hold the certification or licensure required by their assignment.
