Additional Info (entered by
EPA/Contractor):

A large yellow rectangular area, currently empty, intended for entering additional information. It is bounded by a thin black line on its top, right, and bottom edges, and shares the left boundary with the 'Additional Info' label.

ENERGY STAR® Failure Report

Instructions

Certification bodies shall report verification testing failures within 2 business days of observation of the failure to Enforcement@energystar.gov using the subject line "FAILURE" followed by the ENERGY STAR manufacturing partner name(s) and model number(s). CBs must complete and submit this document along with the laboratory test report and any supporting documentation. *Example subject line: "FAILURE ENERGY STAR Manufacturing Partner Name X Model #####."*

Section I: Product and Shipping Information

Name of Certification Body:		Date Model Available on Market:	
Product Specification:		Type of Product Failure:	
ENERGY STAR Manufacturing Partner:		Date Certification Body Determined Failure:	
Original Equipment Manufacturer (OEM): (if Partner listed is not OEM)		Date(s) of Initial Testing:	
		Year Model Was Selected for Verification Testing:	
OEM Model Number: (if Partner listed is not OEM)		Name of Lab that performed Certification Testing:	
Is OEM Model qualified? (under OEM's brand/org name)		Lab EPA-issued Org ID:	
Brand Name:		Verification Testing-Date(s) for single unit testing or spot-check test:	
Certified Model Name:		Verification Testing-Date(s) for remaining samples where multiple test sample (approach two) is used:	
Certified Model Number:		Name of Lab that performed Verification Testing:	
ENERGY STAR Model Identifier:		Lab EPA-issued Org ID:	
Product Type:		Where unit was obtained:	
Tested Model Name:		If product was obtained off-the-line or other; provide reason	
Tested Model Number:		Tested Model Date(s) of Manufacturer: (if available)	
Tested Serial Number(s):		Date(s) Unit was Obtained:	

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2060-0528). Responses to this collection of information are voluntary (Section 103(g) of the Clean Air Act). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to average 6.3 hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

Section III: Verification Testing Results

Describe all the relevant testing results. If reporting a verification testing failure, please include the verification testing results, ENERGY STAR specification requirement(s) for the performance criteria that the product failed, and initial testing results.

Section IV: Additional Model Numbers

List the identifying information for any private label models, family models, or other related models qualified on the same basis as the product that failed testing.
Please attach additional pages, if necessary.
