Unit Shipment Data for Calendar Year 2020

Office of Atmospheric Programs

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (Only those collections of information that are mandatory (Section 103(g) of the Clean Air Act) are required to be responded to, a collection of information unless it displays a currently valid OMB control number. The public reporting burden for this collection of information is estimated to average 17.5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and reviewing and revising your answers. Send comments on this burden estimate and any suggested method for reducing this burden to Washington Headquarters Office of Management and Budget, Paperwork Reduction Project (2020-0701), Washington, D.C. 20503. Include the OMB control number in any completed form to this address.

**PARTNER NAME** (Per your Partnership Agreement):

**SUBMITTED BY** (Your name):

**IMPORTANT: Please read these instructions carefully before completing this form.**

- Report shipments to or within the U.S. of all models certified under your ENERGY STAR partnership.
- To ensure no double counting occurs, do not report shipments of products certified under another company's partnership. Equipment Manufacturer of those products. As a reminder, any product sold under a brand name your company certifies under your ENERGY STAR partnership.

This form is programmed to calculate your total shipments. Therefore, EPA strongly encourages you to complete a printed copy. Estimates of shipments are not accepted. Product Type definitions are available in the Program Requirements Manual at [www.energystar.gov/specifications](http://www.energystar.gov/specifications).

**If you shipped zero ENERGY STAR certified models to or within the U.S. in 2020, please check here and leave the table below blank.**

0

Reporting Period: CALENDAR YEAR 2020 (JAN. 1 TO DEC. 31)	
Set-top Box Base Type	ENERGY STAR U.S. Unit Shipments <sup>1</sup>
Cable
