Burden Statement:

Public reporting burden for this collection of information is estimated to average 40 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The information is being collected for a housing counseling agency to participate in HUD's Housing Counseling program and is required to obtain or retain benefits. No confidentiality is assured. The information will be used by HUD to ensure that Counselors provide guidance and advice to help families and individuals improve their housing conditions and meet the responsibilities of tenancy and homeownership. Counselors also help borrowers avoid predatory lending practices, such as inflated appraisals, unreasonably high interest rates, unaffordable repayment terms, and other conditions that can result in a loss of equity, increased debt, default, and foreclosure. This agency may not collect this information, and you are not required to complete this form, unless it displays a valid OMB control number.
