Instructions for Disposition Request/Report: SF-428 Attachment C

A. General Instructions:

This Attachment is to be used by recipients when required to request disposition instructions or to report disposition of Federally-owned property or acquired equipment under Federal assistance awards at any time other than award closeout (i.e., during the award period or after closeout as long as the Federal Government retains an interest in the item).

Recipients provided Federally-owned property for use under Federal assistance awards are required to request disposition instructions from the awarding agency when the Federally-owned property is no longer needed for the authorized purpose. Recipients may be required to request disposition instructions for equipment acquired with award funds (acquired equipment) when an item is no longer needed for use on Federally-sponsored activities. Recipients may also be required to provide compensation to the awarding agency when acquired equipment is sold or retained for use on activities not sponsored by the Federal Government. This attachment is intended to assist recipients in providing appropriate information to the awarding agency. Note: If the Federal awarding agency has exercised statutory authority to vest title to acquired equipment in the recipient with no further obligation to the Federal government, you are not required to request disposition instructions or to report disposition (i.e., sale or retention for non Federal use) of those items of equipment.
