Public Burden Statement - A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0205. Without this approval, we could not conduct this survey or information collection. Public reporting for this information collection is estimated to be approximately 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the: PRA Officer, National Marine Fisheries Service, F/SER26, 263 13th Avenue South, St. Petersburg, FL 33701.

Privacy Act Statement - Authority: The collection of this information is authorized under the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C 1801 et seq.), the High Seas Fishing Compliance Act, the Tuna Conventions Act of 1950, the Antarctic Marine Living Resources Convention Act, the Western and Central Pacific Fisheries Convention Implementation Act (16 U.S.C. 6901 et seq.), the Marine Mammal Protection Act, the Endangered Species Act and the Fur Seal Act. The authority for the mandatory collection of the Tax Identification Number (TIN) is 31 U.S.C. 7701.

Purpose: In order to manage U.S. fisheries, the National Marine Fisheries Service (NMFS) requires the use of permits or registrations by participants in the United States. Information on NMFS permit applicants and renewing holders includes vessel owner contact information, date of birth, TIN and vessel descriptive information. Permit holder information may be used as sampling frames for surveys, as part of Fishery Management Council (FMC) analysis to support FMC decisions.

Routine Uses: The Department will use this information to determine permit eligibility and to identify fishery participants. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS offices, in order to coordinate monitoring and management of sustainability of fisheries and protected resources, as well as with the applicable state or regional marine fisheries commissions and international organizations. Disclosure of this information is also subject to all of the published routine uses as identified in the Privacy Act System of Records Notice COMMERCE/NOAA-19, Permits and Registrations for the United States Federally Regulated Fisheries.

Disclosure: Furnishing this information is voluntary; however, failure to provide complete and accurate information will prevent the determination of eligibility for a permit.
