

# Child Care Policy Research Partnerships (CCPRP) Community of Practice (CoP) Year 2 Feedback Form

As we wrap up the second year of the Child Care Policy Research Partnerships Community of Practice, we want to hear from you what you enjoyed the most, what you'd like to see more or less often, and what types of conversations or presentations you think will be most helpful as you think about what is coming in the new year. We will use the information you provide to help us in planning for this next year of the Community of Practice. Each member of your team is invited to complete the feedback survey. Please complete and submit by December 3, 2021. This survey will take about 8 minutes to complete, and you may come back to the survey up to a week after beginning it (as long as it's before December 3rd).

We provide **various formats to support you in learning** from each other and experts during the CoP meetings. During monthly CoP meetings in 2021, we had 4 full group discussions with experts, 3 times to break into small groups, 1 time to discuss research challenges as a large group, and 1 meeting to hear from 2-4 grantees. We also had two annual meetings, one with OCC staff, and one with four dissemination experts; the annual sessions included both full-group and small-group discussions and time for virtual visiting.

Please let us know if we got the balance “right” from your perspective.

Q5. Reflecting across the year, please mark the circle that best reflects your perspective on the amount of time scheduled for each format.

	Too much	Just right	Not enough
The amount of time hearing from experts was	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The amount of time to discuss challenges and solutions as a whole group was	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The amount of time to discuss challenges and solutions in small groups was	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
