EHS Program Director Survey: Pre-Invitation Email

Format: Email

Subject: Coming soon: An invitation to participate in the Early Head Start-Child Care Partnerships Sustainability Study Web-Based Survey

[DATE]

Dear [FIRST NAME] [LAST NAME],

I am writing to ask for your help with an important study being conducted by the Office of Planning, Research, and Evaluation within the Administration for Children and Families (ACF) in the U.S. Department of Health and Human Services. Mathematica is conducting a web-based survey of all directors whose programs received an Early Head Start-Child Care Partnership grant in 2015. You are being asked to complete this survey because of your role as a director in a program who was awarded an Early Head Start-Child Care Partnership grant. [IF ALSO PARTICIPATING IN BABY FACES: We know that your program was also selected to participate in the Baby FACES study, also being conducted by Mathematica. These are separate studies requiring different data collection activities. Participating in the EHS-CCP Sustainability Study involves a single web survey.]

The survey will collect information about your agency; the status of partnerships that were active in 2016 (at the time of the National Descriptive Study of Early Head Start-Child Care Partnerships) as well as any partnerships formed since this period; factors that may have contributed to the sustainment or dissolution of partnerships; and the activities you and your partners engage in to deliver services to children and families.

Participation in the study is voluntary and your responses will be kept private and used only for research purposes. They will be combined with the responses of others and no individual names will be reported. This combined input will provide the Administration for Children and Families with important information about why partnerships dissolve and what might be done to better sustain them.

In about a week, you will receive an email from [EMAIL]. This email will include a link to the web-based survey, which will take about 35 minutes to complete. Please complete the survey as soon as you are able.

As part of the survey, we will ask you to confirm (and, as relevant, update) contact information for providers you partnered with in 2016. We will also ask for information about partners who are new since 2016, including the start date of the partnership, and number of birth to three and partnership slots for each new partner. Please have this information on hand before you begin the survey.

If you have questions about the web survey, please contact me at 800-xxx-xxxx. This call is toll-free. You can also email us at [EMAIL].

Thank you very much for your help with this important study.

Sincerely,

Sara Skidmore
Survey Director

The described collection of information is voluntary and will be used to learn about the characteristics and implementation of Early Head Start-Child Care Partnerships. Early Head Start-
Child Care Partnerships
Sustainability Study

[DATE]

Dear [FIRST NAME] [LAST NAME],

Mathematica is conducting a web-based survey of all directors whose programs received an Early Head Start-Child Care Partnership grant in 2015 as part of a study about the sustainability of the partnerships. This study is funded by the Office of Planning, Research, and Evaluation within the Administration for Children and Families (ACF) in the U.S. Department of Health and Human Services. The survey will collect information about your agency; the status of partnerships that were active in 2016 (at the time of the National Descriptive Study of Early Head Start-Child Care Partnerships) as well as any partnerships formed since this period; factors that may have contributed to the sustainment or dissolution of partnerships; and the activities you and your partners engage in to deliver services to children and families.

Dissolved Partnership Provider Survey: Invitation Letter

[DATE]

Dear [FIRST NAME] [LAST NAME],

Mathematica is conducting a web-based survey of child-care providers that were in partnerships with Early Head Start programs as part of the first wave of Early Head Start-Child Care Partnership grants in 2015. **We would like to hear from you even if you no longer partner with [GRANTEE] or are no longer in business.** This study is funded by the Office of Planning, Research, and Evaluation within the Administration for Children and Families (ACF) in the U.S. Department of Health and Human Services. The survey will collect information about you and your child care business; the factors that may have influenced the dissolution of your partnership; and the activities you engage in to support the quality of services you provide to children and families.

Your child care business, [PARTNER PROGRAM NAME], has been selected for this study because you were randomly selected out of [GRANTEE/DELEGATE NAME]'s partners in the Study of Early Head Start-Child Care Partnerships in 2016.

Participation in the study is voluntary and your responses will be kept private and used only for research purposes. They will be combined with the responses of others and no individual names will be reported. This combined input will provide the Administration for Children and Families with important information about why partnerships dissolve and what might be done to better sustain them.

Sustained Partnership Provider Survey: Invitation Letter

[DATE]

Dear [FIRST NAME] [LAST NAME],

Mathematica is conducting a web-based survey of child-care providers that were in partnerships with Early Head Start programs as part of the first wave of Early Head Start-Child Care Partnership grants in 2015. This study is funded by the Office of Planning, Research, and Evaluation within the Administration for Children and Families (ACF) in the U.S. Department of Health and Human Services. The survey will collect information about you and your child care business; the factors that may have helped sustain your partnership; the funding you receive through the partnership; and partnership activities, including those to support the delivery and quality of services provided to children and families.

Your child care business, [PARTNER PROGRAM NAME], has been selected for this study because you were randomly selected out of [GRANTEE/DELEGATE NAME]'s partners in the Study of Early Head Start-Child Care Partnerships in 2016. [IF ALSO PARTICIPATING IN BABY FACES: We know that your center was also selected to participate in the Baby FACES study, also being conducted by Mathematica. These are separate studies requiring different data collection activities. Participating in the EHS-CCP Sustainability Study involves a single web survey.] Participation in the study is voluntary and your responses will be kept private and used only for research purposes. They will be combined with the responses of others and no individual names will be reported. This combined input will provide the Administration for Children and Families with important information about why partnerships dissolve and what might be done to better sustain them.

Please access the web survey by scanning the following code:

You may also enter this link directly into your web browser: [LINK]. We will offer a \$20 gift card as a token of our appreciation for your participation in the survey. The survey will take approximately 30 minutes to complete. You may save your responses and return to finish the survey at a later time. Please feel free to reach out to me, toll-free, at 800-xxx-xxxx or email us at [EMAIL] if you have any questions or need assistance.

On behalf of our study team and ACF, thank you for your participation!

Sincerely,

Sara Skidmore
