ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire

Note: The questions below are the proposed questions for the second wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 2 only. This week we have added questions that examine misinformation, perceptions about getting vaccines, and the influence of others getting a vaccine on an individual's intent to be vaccinated.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
