

ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire

Note: The questions below are the proposed questions for the third wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 3 only. This week we have added questions that examine sources of information about getting the vaccines, additional concerns about getting the vaccines, and the change in Valentine's Day plans due to the pandemic.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
