

ASPA COVID-19 PUBLIC EDUCATION CAMPAIGN

A campaign to increase vaccine acceptance and reinforce basic prevention measures

CET – Annotated Questionnaire (Wave 8)

Note: The questions below are the proposed questions for the eighth wave of the Weekly Current Events Tracker (CET). Questions highlighted in yellow will be asked every week; questions highlighted in blue will be rotated into the survey on a monthly basis; and questions highlighted in green are meant to be asked in Wave 8 only or are being asked again to update data on a variable of interest. This wave's module is Vaccine Knowledge and Preferences. This week's new question set examines vaccine access, registration, and eligibility.

ASPA will provide OMB with updates to the questionnaire for subsequent Waves.
