PURPOSE OF THIS FORM

The U.S. Government conducts criminal checks to establish that applicants or incumbents either employed by the Government or working for the Government under contract are eligible for the job. The U.S. Marshals Service will use this form to conduct a National Criminal Information Center (NCIC) check for each temporary contractor (working on contract 6 months or less and require physical access only) to determine eligibility to work on U.S. Marshals Service contracts.

AUTHORITY TO REQUEST THIS INFORMATION

The U.S. Government is authorized to ask for this information under 5 CFR 731, Suitability Regulations. Your Social Security number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

THE BACKGROUND CHECK PROCESS

The U.S. Marshals Service inputs the information from this completed form into the NCIC Database and conducts a pre-employment name check through the National Crime Information Center (NCIC). The system will produce a criminal history report, that is reviewed by designated U.S. Marshals Service personnel. The designated U.S. Marshals Service personnel will determine the eligibility of the temporary contractor based upon the information provided by the check.

FINAL DETERMINATION ON YOUR ELIGIBILITY

Final determination on your eligibility for a position is the responsibility of the U.S. Marshals Service. You may be provided the opportunity personally to explain, refute, or clarify any information before a final decision is made.
