Injuries and Illnesses.

Why am I receiving this email?

The establishment(s) listed in the PDF attachment is (are) required to participate in the 2022 Survey of Occupational Injuries and Illnesses.

Is this survey mandatory?

Yes, your participation is required by law. Your participation in our survey is essential for understanding the nature and frequency of work-related injuries and illnesses in your industry.

Even if you are normally exempt from keeping Occupational Safety and Health Administration (OSHA) records, you are still included in this survey and must keep records for 2022.

What am I expected to do?

- 1. Keep records of all OSHA recordable <https://www.osha.gov/recordkeeping/entryfaq.html> work-related injuries and illnesses that occurred at the establishment(s) included in the attached PDF throughout calendar year 2022.
- 2. Use separate forms for each establishment. OSHA forms are available at: <http://www.bls.gov/respondents/iif/forms/oshafoms.pdf>.
- 3. In addition, this survey will ask for optional race and/or ethnicity information that is not included on the OSHA forms.

In January of 2023, we will send you instructions on how to submit this information to us.

How do I open the attached PDF?

The attached PDF attachment is password protected to keep your information secure. You will receive a second email with the password within a few minutes.

More information about this survey, including state-specific contact telephone numbers, can be found at: www.bls.gov/respondents/iif <<http://www.bls.gov/respondents/iif>> .

Thank you,

U.S. Department of Labor

Bureau of Labor Statistics

This survey, which is conducted by the Bureau of Labor Statistics in cooperation with state agencies, is mandatory under Public Law 91-596, and is approved under OMB No. 1220-0045.

The Bureau of Labor Statistics, its employees, agents, and partner statistical agencies, will use the information you provide for statistical purposes only and will hold the information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act (44 U.S.C. 3572) and other applicable federal laws, your responses will not be disclosed in identifiable form without your informed consent. Per the Federal Cybersecurity Enhancement Act of 2015, Federal information systems are protected from malicious activities through cybersecurity screening of transmitted data.

The Bureau of Labor Statistics (BLS) is committed to the responsible treatment of confidential information and takes rigorous security measures to protect confidential information in its possession. This email contains confidential information. If you believe you are not the intended recipient of this message, please notify the sender and delete this email without disclosing, copying, or further disseminating its contents.
