How to Report Your Data

- ♦ Report your data to the Bureau of Labor Statistics (BLS) online at: <https://idcf.bls.gov>

- ♦ Check the User IDs and Establishment IDs if you receive multiple forms; you may have to report data for more than one establishment
- ♦ Report case circumstances and worker characteristics both for cases that resulted in days away from work (with or without days of job transfer or restriction) **AND** for cases that resulted in days of job transfer or restriction (without days away from work)
- ♦ Contact us using the telephone number(s) listed above for questions about this survey

We estimate it will take you an average of 24 minutes to complete this survey (ranging from 10 minutes to 5 hours per package), including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing this information. If you have any comments regarding the estimates or any other aspect of this survey, including suggestions for reducing this burden, please send them to the Bureau of Labor Statistics, Occupational Safety and Health Statistics (1220-0045), 2 Massachusetts Avenue, N.E., Washington, DC 20212. Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number. **DO NOT SEND THE COMPLETED FORM TO THIS ADDRESS.**

The Bureau of Labor Statistics, its employees, agents, and partner statistical agencies, will use the information you provide for statistical purposes only and will hold the information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act (44 U.S.C. 3572) and other applicable Federal laws, your responses will not be disclosed in identifiable form without your informed consent. Per the Federal Cybersecurity Enhancement Act of 2015, Federal information systems are protected from malicious activities through cybersecurity screening of transmitted data.

BLS-9300-IDCF

Under Public Law 91-596, all establishments that receive this survey must complete and return it within 30 days, even if they had no work-related injuries and illnesses during 2021.

In December 2020, you were notified to participate in the BLS 2021 Survey of Occupational Injuries and Illnesses (SOII) and asked to maintain records of workplace injuries and illnesses throughout 2021.

Forms to help you complete the survey

- ♦ OSHA's Form 300 - Log of Work-Related Injuries and Illnesses; includes all injuries and illnesses for the year
- ♦ OSHA's Form 300A - Summary of Work-Related Injuries and Illnesses; includes average employment and total hours worked
- ♦ OSHA's Form 301 - Injury and Illness Incident Report; includes detailed injury and illness data

If the detailed case information requested is not recorded on your OSHA forms, please refer to other sources of information you may have (including your Workers' Compensation records). Please note, however, that *OSHA's rules* (www.osha.gov/recordkeeping) concerning **which injuries and illnesses to record differ from your state's Workers' Compensation reporting.**
