

## IMET Senior PME Survey Questions

**Note:** Each student will only be required to respond to a random set of no more than seven questions below outside of the two Background questions. The survey mechanism will link some of the questions below, so alumni may answer more than one question from each section. Some of the questions will be free text for the student to provide a narrative response, some questions will be “Yes / No”, and others will be sliding scale response.

**Intro:** The State Department Office of Security Assistance would value your insights regarding the International Military Education and Training program and the experience it provides international students. We appreciate your feedback in answering these questions regarding the U.S. military courses you participated in. All responses are anonymous and survey participation is voluntary. You can skip questions you choose not to answer and you can stop participating at any time. Please feel free to email [brownef@state.gov](mailto:brownef@state.gov) if you have any questions. We are grateful for your participation in our survey.

### Background

- How many years have you been a member of the Armed Forces? (multiple choice: 5 years or less, 6-10 years, 11-15 years, 16-20 years, more than 20 years)
