

Mobile App User Satisfaction Survey

Burden Estimate: 10 minutes

Expiration Date: 3-31-2024

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and/or recommendations for reducing it, please send them to: fsidldreq@state.gov.

We value your participation in this evaluation and will use results for continuous quality improvement. All feedback is confidential and will be presented in aggregate. Completion should take no more than 10 minutes.
