Memo in response to public comment VA-2022-VACO-0001-0061**

**VHA Office of Integrated Veteran Care – Veteran Family Member Programs, Program Support  
Department Response:**

VHA Office of Integrated Veteran Care – Veteran Family Member Programs, Program Support Department received the comment submitted by Andrew Straw in response to the 60-day Federal Register Notice published for Agency Information Collection Activities; Proposals, Submissions, and Approvals: Camp Lejeune Family Members Program-Reimbursement of Certain Medical Expenses; OMB No. 0822; FR Doc No: 2022-05662 and we appreciate the opportunity to respond. Our department will review Mr. Straw’s file regarding his complaint about being wrongfully denied medical benefits due to not meeting specific residency requirements for admission into the Camp Lejeune Family Member Program. If we find any discrepancies in his denial, we will facilitate contact with Mr. Straw.

The content of Mr. Straw’s submission does not include content pertaining to the information collection in review. We decline to make any adjustments or changes to the following forms: 10-10068 Camp Lejeune Family Member Program Application, 10-10068a Camp Lejeune Family Member Program Claim Form, 10-10068b Camp Lejeune Family Member Program Treating Physician Report, and 10-10068c Camp Lejeune Family Member Program Information Update Form.
