

# Participant survey - EEOC Respectful Workplaces Training

## Evaluation Instrument Summary

You are invited to participate in this survey because you are scheduled to attend, or you recently attended, an Equal Employment Opportunity Commission (EEOC) Respectful Workplaces training session.

The purpose of this survey is to evaluate the effectiveness of the training. The survey asks employees to answer a short set of questions before and after they have attended sessions on "Respect in the Workplace" (for non-supervisory employees) or "Leading for Respect" (for supervisors). We estimate that it will take you less than 10 minutes to complete this survey.

All information obtained during this survey will be collected using Verint, a secure survey software. You will not be asked to identify yourself by your name or job title, so your answers will be anonymous.

All information collected during the survey will be kept confidential and will not be shared with your employer.

The EEOC highly values your participation in the surveys, both before and after the respectful workplaces training.

Thank you for your time and honest responses. You can direct any questions to EEOC at [rwsurveys@eEOC.gov](mailto:rwsurveys@eEOC.gov) or (202) 921-3170.
