

Federal Communications Commission

Explanation of Non-Substantive Changes to OMB Control Number: 3060-1295:

- FCC Form 5643
-

Purpose of this Submission: This submission is being made for proposed non-substantive changes to an existing information collection pursuant to 44 U.S.C. § 3507. This submission seeks to modify FCC Form 5643 to correct a non-substantive typographical error.

Summary of Proposed Changes to the FCC Form 5643:

- **Form Number:** The Form Number was corrected to read “FCC-5643” instead of the erroneous “FCC-5634.”
- There are no changes in the burdens and no costs are associated with this information collection.
