Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736.

Extension:

Form N-8A

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

The Investment Company Act of 1940 ("Investment Company Act") (15 U.S.C. 80a-1 *et seq.*) requires investment companies to register with the Commission before they conduct any business in interstate commerce. Section 8(a) of the Investment Company Act provides that an investment company shall be deemed to be registered upon receipt by the

Commission of a notification of registration in such form as the Commission prescribes. Form N-8A (17 CFR 274.10) is the form for notification of registration that the Commission has adopted under section 8(a). The purpose of such notification of registration provided on Form N-8A is to notify the Commission of the existence of investment companies required to be registered under the Investment Company Act and to enable the Commission to administer the provisions of the Investment Company Act with respect to those companies. After an investment company has filed its notification of registration under section 8(a), the company is then subject to the provisions of the Investment Company Act which govern certain aspects of its organization and activities, such as the composition of its board of directors and the issuance of senior securities. Form N-8A requires an investment company to provide its name, state of organization, form of organization, classification, the name and address of each investment adviser of the investment company, the current value of its total assets, and certain other information readily available to the investment company. If the investment company is filing a registration statement as required by Section 8(b) of the Investment Company Act concurrently with its notification of registration, Form N-8A requires only that the registrant file the cover page (giving its name, address, and agent for service of process) and sign the form in order to effect registration.

Based on recent filings of notifications of registration on Form N-8A, we estimate that about 101 investment companies file such notifications each year. An investment company must only file a notification of registration on Form N-8A once. The currently approved average hour burden per investment company of preparing and filing a notification of registration on Form N-8A is one hour. Based on the Commission staff's experience with the requirements of Form N-8A and with disclosure documents generally—and considering that investment companies that are filing notifications of registration on Form N-8A simultaneously with the registration statement under the Investment Company Act are only required by Form N-8A to file a signed cover page—we continue to believe that this estimate is appropriate. Therefore, we estimate that the total annual hour burden to prepare and file notifications of registration on Form N-8A is 101 hours. The currently approved cost burden of Form N-8A is

¹¹ 15 U.S.C. 78s(b)(3)(A).

¹² 17 CFR 240.19b-4(f).

¹³ 17 CFR 200.30-3(a)(12).

\$449. We are updating the estimated costs burden to \$496 to account for the effects of inflation. Therefore, we estimate that the total annual cost burden associated with preparing and filing notifications of registration on Form N-8A is about \$50,096.

Estimates of average burden hours and costs are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even representative survey or study of the costs of Commission rules and forms. Compliance with the collection of information requirements of Form N-8A is mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, C/O John R. Pezzullo, 100 F Street NE, Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

Dated: December 13, 2021.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93758; File No. SR-FINRA-2021-031]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Extend the Expiration Date of Temporary Amendments Set Forth in SR-FINRA-2020-015 and SR-FINRA-2020-027

December 13, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 7, 2021, the Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. FINRA has designated the proposed rule change as constituting a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to extend the expiration date of the temporary amendments set forth in SR-FINRA-2020-015 and SR-FINRA-2020-027 from December 31, 2021, to March 31, 2022.⁴ The proposed rule change would not make any changes to the text of FINRA rules.

The text of the proposed rule change is available on FINRA's website at <http://www.finra.org>, at the principal office of FINRA and at the Commission's Public Reference Room.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(f)(6).

⁴ If FINRA seeks to provide additional temporary relief from the rule requirements identified in this proposed rule change beyond March 31, 2022, FINRA will submit a separate rule filing to further extend the temporary extension of time. The amended FINRA rules will revert to their original form at the conclusion of the temporary relief period and any extension thereof.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In response to the COVID-19 global health crisis and the corresponding need to restrict in-person activities, FINRA filed proposed rule changes, SR-FINRA-2020-015 and SR-FINRA-2020-027, which respectively provide temporary relief from some timing, method of service and other procedural requirements in FINRA rules and allow FINRA's Office of Hearing Officers (“OHO”) and the National Adjudicatory Council (“NAC”) to conduct hearings, on a temporary basis, by video conference, if warranted by the current COVID-19-related public health risks posed by an in-person hearing. In August 2021, FINRA filed a proposed rule change, SR-FINRA-2021-019, to extend the expiration date of the temporary amendments in both SR-FINRA-2020-015 and SR-FINRA-2020-027 from August 31, 2021, to December 31, 2021.⁵

While there are signs of improvement, much uncertainty remains for the coming months. The presence of the Delta variant, dissimilar vaccination rates throughout the United States, and the uptick in transmissions in many locations indicate that COVID-19 remains an active and real public health concern.⁶ Due to the uncertainty and the

⁶ For example, President Joe Biden on July 29, 2021, announced several measures to increase the number of people vaccinated against COVID-19 and to slow the spread of the Delta variant, including strengthening safety protocols for federal government employees and contractors.
