Salary Offset Agreement

Required fields are marked with an asterisk.

I am currently receiving an annuity under the Civil Service Retirement System (CSRS) or Federal Employees' Retirement System (FERS). If I am offered a position at the Board and while I am employed at the Board and receiving this annuity, my Board salary will be offset by the amount of the annuity. For example, if my (CSRS or FERS) annual annuity is \$40,000 and my Board salary is \$100,000, my annual salary will be reduced to \$60,000 (to be paid on a bi-weekly basis).

In order for the Board to correctly calculate the offset, I understand that if I am hired, I must provide the Payroll Office via e-mail at bogpayroll@frb.gov with the most recent copy of my annuity statement so that the Board can reduce my Board salary by the correct amount. In addition, if I am hired, I understand that I must notify the Payroll Office via e-mail at bogpayroll@frb.gov if the amount of my monthly annuity changes. For example, if I receive a cost of living adjustment or any other increase to my annuity, I understand that I must notify the Payroll Office. Typically, this means I must provide a copy of my annuity statement to the Payroll Office on an annual basis, at a minimum.

By signing this Agreement, I am affirming that I understand that if I fail to provide the Board with the information above either initially or when my annuity amount changes, the Board may decline to employ me or may separate me from Board employment.

Board calendar – A yearly calendar that highlights the Board’s paid holidays (red squares) and biweekly pay dates (green circles).

Complete

Next Task

DRAFT

As a new hire without a Social Security number, you should be aware how your ability to obtain a Social Security number affects your health, dental, vision, and flexible spending accounts (hereinafter referred to as "benefits"). Below is information about what to do to enroll in your benefits and how to obtain a Social Security number. **Please read this message carefully.**

Benefits

When you start working at the Board, you have the option to enroll in benefits under one of the Board's plans. **Enrollment in benefits takes effect the pay period after you submit a completed application to the Benefits Office through our automated system, e-Personnel.**

If you do not have a Social Security number when you are hired, you will be assigned a temporary number. The temporary number will allow you to enroll in benefits via the online module. The temporary number also allows you to see a doctor for health care services. While you will have access to health care services, you will not be able to process health care claims until after you obtain a Social Security number.

You will be responsible for paying all costs that would be covered by your benefits until you have obtained a Social Security number. Once your Social Security number is obtained, you can submit claims for reimbursement of covered benefit services that you or your covered family members received on or after the date that your health insurance coverage became effective.

Your initial eligibility period to enroll in benefits is 60 days from your date of hire. After the initial eligibility period has passed, your opportunities to enroll in or change your enrollment in these plans are limited to Open Season, which happens once a year in November, or a qualifying change in family or work status, such as marriage, the birth of a child, or a change in schedule from full time to part time.

Following are the benefits you need to enroll in within 60 days from your date of hire:

- Health Insurance – Federal Employees Health Benefits (FEHB) Program
- Board Dental
- Board Vision
- Life Insurance – Board Employees' Group Life Insurance (BEGLI)
- Federal Long-Term Care Insurance
- Flexible Spending Accounts – Health Care and Dependent Care
- Group Legal Insurance
- Personal Accident Insurance

You are automatically enrolled in the Federal Employees' Group Life Insurance (FEGLI) Basic life insurance benefit; however, you may waive or change your FEGLI coverage within 60 days from your date of hire.

Social Security Number

Because you are authorized to work in the United States for the Board, you are eligible to obtain a Social Security number. In order to apply for a Social Security number, you must bring the completed Form SS-5 (found here: <http://www.ssa.gov/online/ss-5.pdf>) and the documents specified in the instructions to a local Social Security office. You can find your local Social Security office online: <https://secure.ssa.gov/apps6z/FOLO/fo001.jsp>.

DRAFT

The Social Security Administration recommends that you wait 10 business days from the date that you first arrive in the United States before applying for your Social Security number. If you submit your application before this, Social Security may not be able to verify your USCIS documentation online, which will significantly increase the time it takes for your Social Security number to be issued.

You should be aware that your family members who are not authorized to work in the United States will not be eligible to receive a Social Security number unless they have a valid non-work reason for requesting one. If your family members are not eligible to receive a Social Security number and they need an identification number for tax purposes, they can apply for an Individual Taxpayer Identification Number from the Internal Revenue Service (IRS). A link to this application can be found here: [Form W-7, IRS Application for Individual Taxpayer Identification Number](#). This number may also be accepted in lieu of a Social Security number for a variety of other purposes.

The Social Security Administration has a helpful guide titled “Social Security Numbers for Noncitizens” that you may wish to review. A link to the guide is here: <http://www.ssa.gov/pubs/10096.html>.

DRAFT

The Federal Reserve offers a full array of benefits that was developed to meet the varying needs of our diverse workforce and to help you balance work and family.

As a new employee, you have the opportunity to enroll in any of the benefit plans listed below. **Your initial eligibility period to enroll in benefits is 60 days from your date of hire.**

After the initial eligibility period has passed, your opportunity to enroll in or change your enrollment in these plans is limited to Open Season, which happens once a year in November, or a qualifying change in family or work status, such as marriage, the birth of a child, or a change in schedule from full time to part time.

Following are the benefits you need to enroll in within 60 days from your date of hire:

- Health Insurance – Federal Employees Health Benefits (FEHB) Program
- Board Dental
- Board Vision
- Life Insurance – Board Employees' Group Life Insurance (BEGLI)
- Federal Long-Term Care Insurance
- Flexible Spending Accounts – Health Care and Dependent Care
- Group Legal Insurance
- Personal Accident Insurance

You are automatically enrolled in the Federal Employees' Group Life Insurance (FEGLI) Basic life insurance benefit; however, you may waive or change your FEGLI coverage within 60 days from your date of hire.

Most benefits go into effect the beginning of the pay period after your elections have been submitted through the automated Benefits Enrollment module in e-Personnel. The Board shares the cost of these benefits with you. Cost varies depending upon plan chosen, coverage options selected, and whether it's self-only, self plus one, or family coverage.

Enrollment in some benefits is automatic and at no cost to you. These benefits include the defined benefit pension plan (called the Bank Plan), the Thrift Plan, short- and long-term disability, and Business Travel Accident Insurance.

You will have access to e-Personnel when you start work so that you can choose the benefit plans that are right for you and your family.

A benefits counselor will review your benefits in detail during new hire orientation. You will also have an opportunity to meet with a benefits counselor after new hire orientation to discuss your personal situation and ask additional questions about the Board's benefits package.

You will have access to e-Personnel when you start work so that you can enter leave and make basic changes to your profile such as contact information and federal and state tax withholdings.

If you return to the Board of Governors or a Federal Reserve Bank as a full-time, benefits-eligible employee, your time as an intern will not count for retirement purposes under the Bank Plan. However, you will be eligible to receive credit for leave purposes only.

I hereby designate the beneficiary or beneficiaries named below to receive any UNPAID COMPENSATION payable to me after my death and, in doing so, cancel any and all previous beneficiary designations I may have made for this purpose. The Office of Diversity and Inclusion (OD&I) reports to the Chief Operating Officer. The purpose of the office is to direct the Board's equal employment policy, which is to (1) provide equal opportunity for all persons; to prohibit discrimination in employment because of race, religion, color, national origin, disability, age, sex, gender identity, sexual orientation or genetic information and (2) promote the full realization of equal employment opportunity.

The office is also responsible for matters of the Board "relating to diversity in management, employment, and business activities." OD&I's mission and scope also include the responsibilities identified in section 342 of the Dodd-Frank Act for the Office of Minority and Women Inclusion, which includes the assessment of diversity policies and practices of entities regulated by the Board.

OD&I administers the federally mandated No FEAR Act training. This training is required by law to enhance workplace awareness and familiarize all employees with the EEO and diversity principles and concepts, help them gain a practical understanding of employee responsibilities, learn strategies to reduce workplace discrimination, and learn the benefits of EEO. The online training consists of modules on the following topics:

- EEO compliance
- disability and reasonable accommodations
- workplace and sexual harassment
- diversity
- lawful hiring for managers

Board employees are required to complete the training modules within the first 90 days of employment and every two years thereafter. You will receive an email from OD&I about the training.
