**Colorado Field Office** P.O. Box 150969 Lakewood, CO 80215-9917 Phone 1-800-892-3202 Fax 303-236-2299 nass-co@nass.usda.gov

NATIONAL AGRICULTURAL STATISTICS SERVICE

.

In cooperation with the **Colorado Potato Administrative Committee** and the **San Luis Valley Research Center, USDA, NASS** is conducting this survey to provide information on the varieties of potatoes planted in Colorado for the 20XX crop. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws. For more information on how we protect your information please visit: <u>https://www.nass.usda.gov/confidentiality</u>. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB number is 0535-0213. The time required to complete this information collection is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Total Potato acres planted in 20XX		100
Potato Varieties - 20XX		
Report the acreage of each potato var	iety planted in 20XX.
