BackgroundThe staff at Clinton Service Unit is taking on the challenge of obtaining.....

Customer Service Excellence.

Five Star Customer Service starts with YOU!

This survey will help us as a Service Unit to improve customer service and patient care utilizing these five elements:

Performing- Looking at ways to learn about and improve on the services we provide.

Rounding-Improving communication with patients by building relationships and learning what our patients want and need.

Expecting- Establishing goals and meeting expectations of our patients.

Scripting- Making sure that we are sending the same message to our patients and delivering consistent information.
