

Background

The staff at Clinton Service Unit is taking on the challenge of obtaining.....

Customer Service Excellence.

Improving Customer Service starts with you as a patient to provide feedback of how we currently provide service.

This survey will help us as a Service Unit to improve patient care utilizing these five elements:

Performing– *Looking at ways to learn about and improve on the services we provide.*

Rounding– *Improving communication with patients by building relationships and learning what our patients want and need.*

Expecting– *Establishing goals and meeting expectations of our patients.*

Scripting– *Making sure that we are sending the same message to our patients and delivering consistent information.*

Storytelling.– *Whether positive or negative, stories are very*
