

Attachment G. CSOI GenIC Advance Notification Email Template

The purpose of the "GenIC Expedited Approval Request Notification" email is to give ICRO, HHS, and OMB advance notification that an expedited request for OMB approval (in 24-hours) for an Emergency Cruise Ship Outbreak Investigation (CSOI) will be received with justification. The team is in the planning stages and wants to alert OMB that an expedited request is forthcoming.

From: [CSOI Information Collection Request Liaison (ICRL)]

To: [CDC OMB Clearance Mailbox]; [Chief, CDC Information Collection Review Office]

Subject: Expedited Approval Request Notification for GenIC 0920-1255 – Cruise Ship Outbreak Investigation
