

Attachment 1b Sudden Unexpected Death Data
Enhancement and Awareness Act, Public Law
Number 113-236 (enacted into law on
December 18, 2014)

Public Law 113–236
113th Congress

An Act

To improve the health of children and help better understand and enhance awareness about unexpected sudden death in early life.

Dec. 18, 2014
[H.R. 669]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Sudden Unexpected Death Data Enhancement and Awareness Act”.

Sudden
Unexpected
Death Data
Enhancement
and Awareness
Act.
42 USC 201 note.
42 USC 300c–13.

SEC. 2. CONTINUING ACTIVITIES RELATED TO STILLBIRTH, SUDDEN UNEXPECTED INFANT DEATH AND SUDDEN UNEXPLAINED DEATH IN CHILDHOOD.

(a) **IN GENERAL.**—The Secretary of Health and Human Services shall continue activities related to still birth, sudden unexpected infant death, and sudden unexplained death in childhood, including, as appropriate—

(1) collecting information, such as socio-demographic, death scene investigation, clinical history, and autopsy information, on stillbirth, sudden unexpected infant death, and sudden unexplained death in childhood through the utilization of existing surveillance systems and collaborating with States to improve the quality, consistency, and collection of such data;

(2) disseminating information to educate the public, health care providers, and other stakeholders on stillbirth, sudden unexpected infant death and sudden unexplained death in childhood; and

(3) collaborating with the Attorney General, State and local departments of health, and other experts, as appropriate, to provide consistent information for medical examiners and coroners, law enforcement personnel, and health care providers related to death scene investigations and autopsies for sudden unexpected infant death and sudden unexplained death in childhood, in order to improve the quality and consistency of the data collected at such death scenes and to promote consistent reporting on the cause of death after autopsy to inform prevention, intervention, and other activities.

(b) **REPORT TO CONGRESS.**—Not later than 2 years after the date of enactment of this Act, the Secretary of Health and Human Services shall submit to Congress a report that includes a description of any activities that are being carried out by agencies within the Department of Health and Human Services, including the Centers for Disease Control and Prevention and the National Institutes of Health, related to stillbirth, sudden unexpected infant death,

and sudden unexplained death in childhood, including those activities identified under subsection (a).

SEC. 3. NO ADDITIONAL APPROPRIATIONS.

This Act shall not be construed to increase the amount of appropriations that are authorized to be appropriated for any fiscal year.

Approved December 18, 2014.
