

# ATTENTION ALASKA AVIATION INDUSTRY

## WE WANT TO HEAR FROM YOU!

**Part 135 Operators • Pilots • Baggage Handlers • Ramp Agents • Mechanics • Customer Service Agents • Flight Support Personnel —**

The UAA Institute of Social and Economic Research (ISER) is conducting a **voluntary** and **confidential** survey for the National Institute for Occupational Safety and Health (NIOSH) to better understand workplace operations in the Alaska aviation industry.

**work schedules**

**job tasks**

**training**

**injuries**

**fatigue**

Watch for an email from your employer with more information and your unique link to the survey. The survey should take 15-25 minutes and your input will help make your workplace safer for you and your coworkers.

Please lend your experiences for information collection to characterize your job, the aviation industry, and work in rural and urban Alaska.

## Survey Dates: Jan. - June 2022
