Thank you to the First Lady and President Biden for their show of support for [#BreastCancerAwarenessMonth](#).

And to the First Lady for encouraging people to get screened. Early cancer detection can save lives and make a big difference in outcomes. Here's what everyone should know about breast cancer screening, including mammography and other forms.
<https://www.cancer.gov/.../patient/breast-screening-pdq>

First Lady Dr. Jill Biden ✓
October 1 at 12:54 PM · 🌐

Last night, [The White House](#) was illuminated in pink to start [#BreastCancerAwarenessMonth](#), in honor of survivors, those we've lost, and those going through treat... See More
