Abstract Submission

The deadline to submit a poster abstract for consideration is July 17, 2020.

We invite the attendees to submit abstracts of their work. The meeting organizers will evaluate the scientific quality and contents of the submitted abstracts on the basis of novelty of the research, significance of the findings and clarity. The abstracts must describe the purpose, experimental procedures, results and conclusions of the research in a succinct manner. The accuracy of the submitted abstract is the sole responsibility of the authors. The abstracts will be included in the conference booklet and posted online exactly as submitted.

FORMATTING REQUIREMENTS

Please follow the instructions below to format an abstract. If your abstract does not follow all formatting requests, it will not be accepted and will have to be redone.

Note: Submissions will not be edited for spelling or grammar and will be accepted "as is."

- Abstracts must not be longer than 1 page (350 words maximum).
- The abstract should be a 1-page MS Word or PDF file.
- The abstract should be typed single-spaced, using Times New Roman font. Everything but the title should be in normal, 12-point font.
- The abstract's title should be Bold, 16-Point, Title Case font and should clearly represent the nature of the investigation.
- Skip one line after the title, and list the author's first and last names, affiliation, city, state, and country.
- Separate multiple authors with a semicolon; and underline the primary author's name (one primary author per abstract).

- Use one blank line between the title and the authors, the authors and the body of the abstract, and between paragraphs.
- The abstract file name should follow this format:
LastNameofprimary author_FirstWordOfTitle (e.g., Joe_Effects).
- Use of standard abbreviations is desirable (e.g., BMI), as well as standard symbols for units of measure (e.g., kg, g, mg, mL, L, and %). Place any special or unusual abbreviations in parentheses after the full word the first time that it appears. Use numerals to indicate numbers except to begin sentences. Do not use subheadings (e.g., Methods, Results).
- Simple tables or graphs may be included; however, they must fit within the designated abstract space of one page.

Poster Board Guidelines

Recommended dimensions for poster displays are 4' H x 6' W (landscape orientation) or 6' H x 4' W (portrait orientation). A landscape orientation is recommended. The minimum image resolution for bitmap graphics is 266 pixels/dots per inch (DPI) at full print size.

Abstract Submission Form

Please use the form below to submit your abstract.

Note: Submitting your abstract does not mean you are registered for the event. You still need to submit a registration (/cadrg/tacpad /registration) to attend the meeting.
