

Hosted By: Foundation for the National Institutes of Health

21st Annual Norman P. Salzman Memorial Symposium and Award in Virology

Monday, November 18, 2019

Lipsett Amphitheater, Clinical Center, National Institutes of Health

Register to Attend

The Foundation for the National Institutes of Health (FNIH) and the NIH Virology Interest Group announce the Twenty-First Annual Norman P. Salzman Memorial Symposium and Award in Virology. The Award will be presented to an outstanding Postdoctoral Fellow, Research Fellow, or Clinical Fellow working in the field of virology within the intramural NIH, CBER, or Leidos community. The Award honors Dr. Salzman's 40-year career in virology research and his accomplishments in mentoring of young scientists.

The Symposium program highlights current research of eminent extramural and intramural virologists. A luncheon will follow the Symposium. For more details, visit www.fnih.org/SalzmanSymposium.

Date & Time:

Monday, November 18, 2019
9:00 AM - 1:00 PM EST

Location:

Lipsett Amphitheater, Clinical Center, Building 10, NIH Campus
10 Center Drive, Bethesda, Maryland, 20814, USA

Program Includes:

Presentation of the 2019 Norman P. Salzman Memorial Award in Virology
Lecture by the Award Winner
Recognition of Poster Presentation Awardees

Speakers:

This year's Keynote speaker is:

Barton Haynes, M.D.

Frederic M. Hanes Professor of Medicine and Immunology
Director of Human Vaccine, Institute Department of Medicine
Duke University School of Medicine

Topic: Development of a Broadly Protective HIV Vaccine: How and When Will We Get There?

Other speakers include:

Carolyn Coyne, Ph.D.

Professor of Pediatrics
University of Pittsburgh
Director, Center for Microbial Pathogenesis
Associate Director, R.K. Mellon Pediatric Research Institute
UPMC Children's Hospital of Pittsburgh

Topic: Breaking Barriers - How Viruses Bypass the Placenta and GI Tract

Matthias Gromeier, M.D.

Professor, Department of Neurosurgery
Preston Robert Tisch Brain Tumor Center
Duke Cancer Institute
Duke University Medical School

Topic: Cancer Immunotherapy with Recombinant Poliovirus

Adam Zlotnick, Ph.D.

Professor, Department of Molecular and Cellular Biochemistry
Indiana University

Topic: A Short Walk From the Physics of Virus Assembly to Hepatitis B Virus-specific Antivirals

This year's tribute speaker is:

Malcom A. Martin, MD
Chief of the Laboratory of Molecular Microbiology and Chief Viral Pathogenesis and Vaccine Section
NIAID, NIH

Topic: Tribute to Dr. Norman P. Salzman

* Prefix

* First Name

* Last Name

* Email Address

* Organization/Institute

* Will you attend the luncheon following the symposium?

- Yes, I will attend.
- No, I will not attend.

* Would you like to receive the FNIH e-newsletter?

- Yes
- No
