Travel Award Information

OMB#: 0925-0740 Exp Date: 07/2022

Public reporting burden for this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Travel Award Information

Early career investigators are eligible to apply for travel support to attend the 2020 Curing the Epilepsies Conference. NINDS intends to provide travel support for approximately 40 early career investigators. Travel awards will cover travel and hotel expenses.

Eligibility: Graduate students, medical students, postdoctoral fellows, research associates, medical residents/fellows, and junior-level faculty within 10 years of their terminal degree or the end of post-graduate clinical training, whichever date is later.

To apply please email the materials to ----- by February 15th, 2020.

- **A CV.**
- **Location you plan to travel from.**
- **A brief description of your background or interests in epilepsy research, and why you would like to attend the 2020 Curing the Epilepsies Conference (300 words maximum).**
- **Optional: Response to Request Information (RFI)**
 - As part of the 2020 Curing the Epilepsies Conference, NINDS is seeking ideas on how to shape the Epilepsy Research Benchmarks moving forward. Travel awardees are encouraged to submit RFI responses with comments and suggestions regarding the current [2014 epilepsy research benchmarks](#) and that identify new or ongoing research priority challenges and opportunities. *While not required, applicants submitting RFI responses will be given priority for travel awards.* For more information please see: <https://www.ninds.nih.gov/RFI-NOT-NS-20-025>
 - **Important:** Travel award applicants should **both** submit their RFI response to the main RFI submission page (<https://www.ninds.nih.gov/RFI-NOT-NS-20-025>) **and** email their

submission page \-----/. Responses to the main RFI submission page are collected anonymously, so your response will not be considered unless you both submit to the main form and email your response.

Sponsored by the National Institute of Neurological Disorders and Stroke (NINDS)

in collaboration with:

American Epilepsy Society and the Epilepsy Leadership Council
