

GRADUATE & PROFESSIONAL SCHOOL FAIR - 2021 VIRTUAL - EXHIBITOR REGISTRATION

OMB Number: 0925-0740

Expiration Date: 31 Jul 2022

The Virtual 2021 National Institutes of Health Graduate & Professional School Fair will be held from July 19th through July 22nd. The online exhibits will be held on July 20th through July 22nd. By completing this survey, you are letting us know that you plan to exhibit. Selecting a date at this time is not a commitment for that date, it is for our planning purposes. On May 3rd, exhibitors that RSVP will be given instructions on how to select a specific session time slot, create an online meeting, and share their session plan with us. We will include your meeting information on our webpage and share a compiled list of online meeting information with registered students and NIH postbacs.

This fair will provide an opportunity for representatives of graduate and professional schools to meet and recruit up-and-coming young scientists taking part in the NIH Postbaccalaureate Program and other college and university students. Student interest is highest in the following schools/programs: medical school, graduate school (PhD programs in all the biomedical sciences), MD/PhD programs, public health programs, psychology, dental school, nursing school and pharmacy school.

Yes No

Online Exhibit Meeting Other Information:

(optional)

Collection of this information is authorized by The Public Health Service Act, Section 410 (42 USC 285). Rights of participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all participants and reported as summaries.

Public reporting burden for this collection of information is estimated to average 15-minutes per submission. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA 0925-0740. Do not return the completed form to this address.
