

Assessing & Measuring Target Engagement: Mechanistic & Clinical Outcomes  
Registration Form Screenshots  
<http://musichealth2.eventbrite.com/>

The screenshot shows the top portion of an Eventbrite event page. On the left, there is a blue header with the NIH logo and text: "U.S. Department of Health & Human Services National Institutes of Health" and "National Center for Complementary and Integrative Health". In the center, it says "OMB#: 0925-0740 Exp Date: 07/31/2022". On the right, the date "JUN 18" is displayed, followed by the event title "Assessing & Measuring Target Engagement: Mechanistic & Clinical Outcomes" and the organizer "by National Center for...". There is a "Follow" button and the price "Free". At the bottom right, there is a green "Register" button. A heart icon is visible at the bottom left of the header area.

**Assessing and Measuring Target Engagement: Mechanistic and Clinical Outcome Measures for Brain Disorders of Aging**

**About this Event**

This is the second of three meetings that are part of Phase I of an NIH/Foundation for the National Institutes of Health (FNIH) project to develop evidence-based music therapies for brain disorders of aging.

This meeting will gather input from participants in the music therapy/music medicine, neuroscience, behavioral intervention development, clinical trial methodology, and patient advocacy/art organization communities. The NIH planning committee will assess, evaluate, and identify the most feasible and relevant functional outcome measures in domains relevant to brain disorders of aging: cognition, emotion, and motor and sensory functions. This core dataset of outcome measures will be used in future NIH-funded music-based intervention protocols.

Individuals who need reasonable accommodation to participate should contact [info@nccih.nih.gov](mailto:info@nccih.nih.gov) or the Federal Relay, 1-800-877-8339, by Friday, June 11.

OMB No.: 0925-0740

Expiration Date: 07/31/2022

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

## Registration Form Screenshots

<http://musichealth2.eventbrite.com/>

The top screenshot shows a checkout page with the following form fields:

- Email address \*
- Degree \*
- Job Title/Position \*
- Affiliation \*

The bottom screenshot shows the same checkout page with a dropdown menu open for the field "I am a... \*". The dropdown options are:

- Choose one
- Advocate
- Basic/Mechanistic Researcher
- Clinical Researcher
- Health Care Provider
- Journalist
- Member of the Public
- Music/Art Therapy Provider
- NIH Employee
- Policymaker
- Professional Musician/Artist
- Other

Both screenshots include a sidebar with the NIH logo and an order summary table:
