TITLE OF INFORMATION COLLECTION: NIH Office of Intramural Training & Education (OITE) – Graduate & Professional School Fair - Student Registration

PURPOSE:

The OITE provides several services to the NIH trainees (summer interns, postbaccalaureates, graduate students, postdoctorates, clinical fellows, and research fellows) and NIH staff (staff scientists and staff clinicians) by providing services that cover major topics such as: communication, career development, leadership, mentoring and other personal development.

The Graduate & Professional School Fair is designed to provide participants of the NIH Summer Internship Program (SIP) and the NIH Postbaccalaureate Training Program (PBT), as well as college students in the DC area, the opportunity to learn more about career exploration and taking the next step in an advanced degree programs leading to a PhD, MD, DDS, MD/PhD, and other graduate and professional degrees. More than 300 outstanding colleges and universities from across the United States send representatives to discuss their graduate, medical, and dental schools, schools of public health, and other biomedically relevant programs. This day also includes workshops on getting to graduate and professional school, MD/PhD programs, interviewing, and careers in public health, psychology, and dentistry.

DESCRIPTION OF RESPONDENTS:

The NIH/OITE invites NIH trainees and college students from the general public to register for the Graduate & Professional School Fair.

NIH trainees from the Summer Internship Program (SIP) and Postbaccalaureate Training Program (PBT) programs receive financial support for a stipend and health insurance. College students from the general public do not receive financial support from the NIH.

The selection of targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

The NIH/OITE will use the OITE-SIP (Summer Internship Program) and OITE-POSTBACS (Postbaccalaureate Trainee Program) distribution lists to advertise the Graduate & Professional School Fair event, inviting all to submit a registration. The NIH/OITE will use a distribution list of local universities, inviting them to publicize the event to their students. In addition, the OITE website posts a banner containing details about the event and exhibitors.
