The selection of targeted respondents

Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
[] Yes [X] No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

We will send an email announcement about the meeting (with registration link) to NIMH listservs of employees and public partners, and encourage them to forward as well. We will also send an email announcement to listservs that have an audience of interest (e.g., conference listservs). The meeting is open to the public so anyone who completes the registration form will be able to attend and view the meeting via webcast.
