Subject: Invitation to Present at NCI's *Cancer Epidemiology in Hispanic Populations Workshop*, September 14-16, 2021

Dear Dr. [Speaker Name],

The Epidemiology and Genomics Research Program (EGRP) of the Division of Cancer Control and Population Sciences, National Cancer Institute will be sponsoring a two-day workshop on *Cancer Epidemiology in Hispanic Populations* to be held online on September 14-16, 2021. The overall goals of the workshop are to: 1) identify scientific gaps and opportunities for cancer epidemiologic research in Hispanic populations; 2) encourage the use of existing resources and identify gaps in resources to enable cancer epidemiological research in Hispanic populations; and 3) facilitate and coordinate cross-discipline collaboration to inform research in Hispanic populations.

We would like to cordially invite you to present on _____, as you were highly recommended to present on this topic by _____. Your presentation will contribute to greater discussions regarding the current landscape of cancer epidemiologic research in Hispanics and identify priorities for future research for this population. Please confirm if you will be able to join us for the workshop and are willing to present by [Date]. If you have any questions, please feel free to contact the workshop planning co-chairs at the following:
