ICARE VIRTUAL SESSIONS

The Interagency Collaborative Animal Research Education (ICARE) Project

The ICARE (Interagency Collaborative Animal Research Education) Project invites you to join us for **Virtual Sessions**

<https://olaw.nih.gov/education/icare-interagency> aims to empower IACUCs and their institutions to improve animal welfare and thus increase the quality of data collected, and increase compliance with federal standards while minimizing regulatory burden.

Those who care for biomedical research animals have the responsibility of providing support to scientists and exemplary care to the animals that depend upon us. To support IACUC members and staff and animal care and use program personnel, the ICARE faculty offers new online programs, **OLAW Conversations and OLAW History**. The program will provide institutional animal care and use program personnel the opportunity to view presentations on the following topics:

OLAW CONVERSATIONS

OLAW CONVERSATIONS presented by ICARE will be offered at **NO CHARGE**. Participants are invited to register for any session of interest.

Registration may be canceled by email to erin@espinc-usa.com. The program format is webinar. Modules and group work are not included in this program.

OLAW Conversations will be offered once per day

- 1:30 PM - 3:30 PM Eastern

Which corresponds to:

- 12:30 PM - 2:30 PM Central
- 11:30 AM - 1:30

TOPICS for OLAW CONVERSATIONS presented by ICARE

All sessions will include closed captioning.

OLAW HISTORY PANEL

OLAW HISTORY will be offered at **NO CHARGE** on September 24, 2021.

Registration may be canceled by email to erin@espinc-usa.com. The program format is webinar. Modules and group work are not included in this program.

Friday, September 24, 2021

		More Details to be added soon.
Tuesday, August 17, 2021	OLAW Conversations: Post COVID-19 Staff Shortages and Returning to Physical Workspaces Speakers: <ul style="list-style-type: none"> • George Babcock, PhD, Professor Emeritus & IACUC Chair, University of Cincinnati, Dept. Surgery • Jennifer Klahn, MA, CPIA, Director, Research Safety and Animal Welfare Administration, University of California, Los Angeles • William Singleton, President, ACTS - Animal Care Training Services 	
TBA - August 2021	Topic to be added soon	
TBA - August 2021	Topic to be added soon	
TBA - September 2021	Topic to be added soon	

Participants may register for any session(s) of interest. The goal of the ICARE Project is to improve animal welfare while reducing regulatory burden and improving compliance with federal standards. To reach that goal, the ICARE faculty have developed and offered workshops since 2016.

REGISTRATION

IACUC members and Institutional personnel involved in animal care and use programs (veterinarians, compliance, PAM, trainers, investigators, administrators) may register to participate in the **ICARE Virtual sessions**.

- Registration is FREE and limited to 500 participants per session; there is no fee for participating in the **ICARE Virtual Sessions**.
- If more than 500 people register, ICARE will maintain a wait list; more session(s) may be offered if demand is sufficient.
- Participants may register for any session(s) of interest.

REGISTRATION COST: NO CHARGE

FORMAT OF ICARE VIRTUAL SESSIONS

The presentations will be conducted via webinar. Participants may submit questions and comments via the chat/Q&A features.

PLANS FOR THE FUTURE

ICARE will be flexible in our offerings, with the priority to meet the needs of the community we serve in this rapidly changing environment.

OMB# 0925-0740 Expiration Date: July 31, 2022
Public reporting burden for this collection of information is estimated to average 2 minute per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: (0925-0740). Do not return the completed form to this address.

Confirmation

Since your event is currently in "draft" mode, emails will only be sent to the email addresses of users in your account. This is to prevent emails accidentally being sent to invalid "test" emails often used when testing registrations such as "test@test.com". Once your event is live, this restriction is lifted and emails will be sent to all email addresses.

Thanks For Registering

We will send you via email the link to the OLAW Conversations Presented by ICARE webinar closer to the date of the event.
